But one call from Zoe will change his life - will he return to Serenity, or has the sky been taken from him forever?

Beyond K Street Aug 07 2021 The rough and violent areas of K Street were no place a kid should be left alone, but for fifteen-year-old Micah Tate, it was home. It was never a fit for him, but he fought to survive in it as long as he could. He maneuvered through its courtyards and learned to live in it. When Micah's only options in life became to go to prison for a long time, or become the property of the state, he willingly submitted to a new life and direction. Still reeling from the sudden passing of his wife, Mr. Rudolph Pfeiffer, a seventy-seven-year-old fearless, no-nonsense leader hesitantly took in the teen. Micah was tough, but Mr. Pfeiffer was tougher. Micah was not afraid to stand up for himself nor speak his mind, but neither was Mr. Pfeiffer. When their toughness clashed, Mr. Pfeiffer never backed down, and his hardness prevailed over Micah every time. But when their roughness matched, it was the perfect element to build a solid bond between the two of them.

Although Mr. Pfeiffer greatly missed and longed to be with his late wife of five decades, he focused on Micah. Despite the infuriating meddling from Micah's past, Mr. Pfeiffer never gave up on him. Despite threats to Micah's future, Mr. Pfeiffer was a shield for him. Micah moved away from K street, but it was Mr. Pfeiffer's guidance, patience, and lessons on unfairness, economic disadvantages, and broken relationships that taught Micah how to live beyond K Street. *Beyond K Street: Journey to Redemption* reveals the journey of Micah and the young man he became as a result of Mr. Pfeiffer.

Reading Joss Whedon Nov 17 2019 In an age when geek chic has come to define mainstream pop culture, few writers and producers inspire more admiration and response than Joss Whedon. From *Buffy the Vampire Slayer* to *Much Ado About Nothing*, from *Dr. Horrible's Sing-Along Blog* to *The Avengers*, the works of Whedon have been the focus of increasing academic attention. This collection of articles represents some of the best work covering a wide array of topics that clarify Whedon's importance, including considerations of narrative and visual techniques, myth construction, symbolism, gender, heroism, and the business side of television. The editors argue that Whedon's work is of both social and aesthetic significance; that he creates "canonical television." He is a master of his artistic medium and has managed this success on broadcast networks rather than on cable. From the focus on a single episode to the exploration of an entire season, from the discussion of a particular narrative technique to a recounting of the history of Whedon studies, this collection will both entertain and educate those exploring Whedon scholarship for the first time and those planning to teach a course on his works.

Serenity Adult Colouring Sep 08 2021 The adult coloring-book trend reaches its pinnacle with *Serenity*, a truly remarkable coloring book filled with a stunning collection of illustrations calling out to be transformed with color. Page after page, *Serenity* spills over with outline drawings, doodles, and mandalas that are wonderfully detailed, offering the opportunity for creative interpretation. From gardens to butterflies, seaside scenes to busy interiors, picnics to parties, ribbons to dreamcatchers, the bounty of choices here calls out for color-wielding artists to play. Coloring offers adults and teens-perhaps alone, perhaps in social groups in search of recreational engagement-the potential for all kinds of restful preoccupation. True to its name, *Serenity* is a sweet remedy for individuals who are feeling stressed in their daily lives and would find relief in such an artistic endeavor. It's also an invitation for would-be or frustrated artists to take an assisted next step. Each one of Timmermans' drawings provides a perfectly beautiful launchpad for inspiration to see them through to colorful completion....

Hakeem and Serenity 3 Dec 19 2019 Love doesn't live here anymore. It sure doesn't. *Serenity* finally got her memory back, and the only thing that has changed is her address. She's still living with the one man she has always loved. When everything starts to fall apart, Hakeem shows that the convenient love they have always shared is nothing but the true feelings he had for her. Things couldn't get any better, until secrets start to fall out the

sky and land right at Serenity's feet. Love will be tested, lives will be taken, but the one thing that always brought them together will always remain the same. Is it love, or is it hate? Secrets aren't the only thing between Serenity and Keem. What else can it be? It didn't take Keem long to figure out the snakes roaming around in his grass. He knew they were there, he just had to cut it short enough to see them. Once you cross Killa Keem, ain't no coming back from it. Taking the life of his once upon a time best friend and brother took a toll on Keem. It's hard for him to trust so easily, and when things in his love life start to crumble, he starts to see that disloyalty runs deep within his circle. While he still has his mind on his empire, he's able to see yet another threat coming his way. Only this time, it won't be a possible convenient death. It's a secret untold. A secret that not even love can beat. When the truth is spoken, all he can wish for is for God to watch over his daughter because death is the only way out. Shayla can't seem to get love right, but just when someone catches her eye, someone else comes and takes what belongs to them back. Shayla also has a secret that only she and one other person knows about. The thing is it could possibly ruin a relationship with a close friend that trusted her with everything in them. Take on the last and final ride with Hakeem & Serenity: Convenient Love of a Boss. The ride will be bumpy, and many may fall off, but one thing will remain, but what could it be? Find out in the finale.

Serenity's Song Jul 06 2021 He's got a history of bad decisions—is he finally about to make the right one? Jesse Hargreaves can't outrun his notorious bad boy reputation. Betrayed by a woman he trusted, he retreats to his hometown, Wirralong, to serve as his brother's best man and rebuild his life. But change isn't easy, and it's even harder when Jesse has to fight his fierce attraction to the maid of honour—a woman well aware of the darkness in his past. Beautician Serenity Strachan's flippant one-liners and vibrant hair colours are armour to protect her fragile heart. She's always crushed on Jesse, but she's determined to keep him and his sordid past at an arm's length. That's easier said than done when Jesse asks Serenity to help renovate an old property. And when they're trapped underground in a tunnel cave-in, their emotional barriers fall faster than the tunnel walls. When rescue arrives, they question their new emotional intimacy. Can Serenity trust this new Jesse with her heart? And can Jesse trust that Serenity will ignore the lure of a fortune to keep his secrets safe?

Serenity's Journey Jan 12 2022 As a new widow trying to deal with the aftermath of her husband's death, Lindy begins to question her sanity when Phil seems to be communicating with her and their children in some amazing ways. The dreams and odd occurrences leave them shaking their heads in wonder, but after a life-changing reading with a medium, Lindy realizes that it truly is possible to communicate with loved ones who have crossed over to the other side. The realization leaves her feeling warm and loved...and greatly comforted. Serenity's Journey shares Lindy's fascinating path from grief to acceptance. This inspirational yet down-to-earth memoir is a testament to miracles, and to the special place where one's soul finds peace, unconditional love, and hope.

Discovering Us (True Love, Book 1) Apr 03 2021 They wanted forever... but sometimes forever's not that easy. Ellen has loved Jagger since she was five and he was seven when they kissed through the chain link fence at school. She's had their wedding planned since she was twelve and is ready for a happily ever after with him, but life just isn't that neat and tidy. Although they lost contact over the years, which broke her heart, during Jag's senior year in high school, sophomore Ellen catches his eye once again and their friendship is back on. When things between them gradually develop into something more, Ellen wants to give herself completely to Jag, but he's not so sure he wants to risk their relationship in taking things to the next level. When Jag is drafted to the Dodgers as the hot, new pitcher of the team, Ellen decides to go with him, transferring colleges and leaving her friends and family behind. But things get more and more complicated when busy schedules, a slimy agent and a supermodel disrupt their lives, which makes Ellen question whether they'll ever get their perfect forever. This is the first book of the True Love Trilogy. Due to language and sexual content, this book is not recommended for readers under age 17

Firefly #1 Apr 15 2022 BOOM! Studios, along with visionary writer and director Joss Whedon (Buffy the Vampire Slayer, The Avengers), presents an all-new era of the pop

culture phenomenon *Firefly*, as one of the most demanded stories in the franchise's history is revealed for the first time! Sense and Creative Labor in Rainer Maria Rilke's Prose Works May 24 2020 This book is an investigation of the role of creative labor and the five senses in Rainer Maria Rilke's prose works, including his "Primal Sound" essay, the *Stories of God*, *The Notebooks of Malte Laurids Brigge*, and his monograph on Auguste Rodin. It is about several protagonists' quest to achieve creative labor by reconnecting spirit or the unconscious to the hand. There are many difficulties in the way, however, illustrated by Rilke's essays, tales, and monographs. In the process of overcoming these impediments, the five senses are expanded and refined. Rilke's characters undergo a transformation that not only allows them to do true creative labor, but also brings them into a new relationship with themselves, the world around them and other people. Nicholas Carroll Reynolds received his PhD at the University of Oregon, USA. He has authored several articles on philosophy and literature, and has worked as an editor and translator. He is currently employed at Trinity University in San Antonio, Texas, USA, where he teaches in the German, Philosophy, and First Year Experience programs, as well as in Trinity's Study abroad program in Berlin, Germany.

The Journals of Captain James Cook on his Voyages of Discovery Feb 19 2020 Captain James Cook's first two voyages of exploration, in 1768-71 and 1772-75, had drawn the modern map of the South Pacific Ocean and had opened the door on the discovery of Antarctica. These expeditions were the subject of Volumes I and II of Dr J.C. Beaglehole's edition of Cook's Journals. The third voyage, on which Cook sailed in 1776, was directed to the Northern Hemisphere. Its objective was the discovery of 'a Northern Passage by sea from the Pacific to the Atlantic Ocean' - the North-west Passage, sought since the 16th century, which would have transformed the pattern of world trade. The search was to take Cook into high latitudes where, as in the Antarctic, his skill in ice navigation was tested. Sailing north from Tahiti in 1778, Cook made the first recorded discovery of the Hawaiian Islands. On March 7 he sighted the Oregon coast in 44° N. The remarkable voyage which he made northward along the Canadian and Alaskan coasts and through Bering Strait to his farthest north in 70° nearly disproved the existence of a navigable passage towards the Atlantic and produced charts of impressive accuracy. Returning to Hawaii to refit, Cook met his death in a clash with the natives as tragic as it seems unnecessary. Dr Beaglehole

discusses, with sympathy and insight, the tensions which led Cook, by then a tired man, into miscalculations alien to his own nature and habits. The volume and vitality of the records, both textual and graphic, for this voyage surpass those even for Cook's second voyage. The surgeons William Anderson and David Samwell, both admirable observers, left journals which are also here printed in full for the first time. The documentation is completed, as in the previous volumes, by appendixes of documents and correspondence and by reproductions of original drawings and paintings mainly by John Webber, the artist of the expedition. In Dr Beaglehole's words, 'no one can study attentively the records of Cook's third, and last, v

The Aquarium Sep 27 2020 In this fifth installment to The Uncaged Series, Serenity and Sky tackle life together as new parents to their toddler twins. Joined by Blackbird and her daughter, Sky and Serenity feel safe in the Sanctuary. But their peace is shattered when the twins are abducted by a woman named Haven, Director of a new Museum called The Aquarium--a sea-scraper hundreds of miles deep in the ocean. With their children's fate in the balance, Serenity and Sky agree to a two-year contract as a dual interaction in The Aquarium, re-introducing Serenity to the crowds as the Sea Star. But navigating the perils of this new Museum will be more dangerous than ever. The Director has a reputation as the country's most notorious assassin, her predatory brother has made Serenity his favorite new target, and the performances demanded of Sky and Serenity are simply unimaginable. When history starts to repeat itself--this time with female bodies showing up strangled--Serenity realizes that there's no one left to help her. But will saving herself cost her more than she can bear?

Beyond Infinity Dec 31 2020 Voyagers cross a living universe in a gripping new novel of the far future by Greg Benford, multiple award-winning author of *The Martian Race* and *Timescape*. BEYONDINFINITY takes a scientist's imagination to the uttermost ends of time. Set more than a billion years from now, the novel begins with a young woman who yearns to escape the rigid, timeless Earth she knows. So she flees, in the company of an intelligent beast wise beyond recognition. But there are mysterious forces afoot among the planets that she never foresaw. Alien agencies have learned to span parallel universes, ones that lie only a millimeter away but are invisible to any device known to man. Soon these beings confront the travelers and a struggle beyond imagining begins.....

Firefly - The Magnificent Nine Jun 05 2021 The second original novel from the much-missed Space Western *Firefly*, produced with Joss Whedon as consulting editor, set

between the TV series and the movie *Serenity*. A cosmic cry for help Captain Mal Reynolds is in a fix. He'd like nothing more than to find honest smuggling work that stays under the Alliance's radar and keeps the good ship *Serenity* in the sky. But when an old flame of Jayne Cobb's sends a desperate plea across the galaxy, his crew has other ideas. A cut-throat bandit On the arid, far-flung world of Thetis, the terrifying Elias Vandal is threatening to overrun the town of Coogan's Bluff with his trigger-happy army. He wants control of the only thing standing between its people and dustbowl ruin: their water supply. The Magnificent Nine When the crew land at the hardscrabble desert outpost, they discover two things: a savage outlaw gang who will stop at nothing to get what they want, and that Jayne's former girlfriend, Temperance, is singlehandedly raising a teenage daughter, born less than a year after she and Jayne parted ways. A daughter by the name of Jane McCloud...

Off on a Comet! Mar 22 2020 Nearly a century before space travel captured the imaginations of science-fiction writers and readers, Jules Verne envisioned an incident in which a comet impact in the vicinity of Gibraltar sends a piece of the Earth on a two-year trip around the solar system. Thirty-six unsuspecting individuals of various nationalities are swept away by the collision. The tension builds as they struggle to understand what has happened and to cope with their new environment. The involuntary travelers are forced to put aside their differences to survive in an increasingly frigid atmosphere and to try to find their way home. Verne's passion for travel and his interest in space exploration are reflected in this rollicking adventure, which is further elevated by his gift for creating a dramatic narrative and realistic personalities. This edition of *Off on a Comet!* features illustrations from the original French publication that complement the author's droll observations of his contemporaries' superstitions and foibles.

Bigger Than the Sky Feb 25 2023 Five years ago, I left my fiancé, hotter than hot Navy SEAL Kade Kelly, at the altar. No, I'm not an idiot. Yes, I had my reasons. Now I've made a new life for myself working at a large firm in Richmond and I've left the past behind. Or so I thought. Upon returning to my hometown of Serenity Point, Virginia, to take care of some business, I find that Kade's now home for good and he's none too happy about my being here. Two months. That's all I'm staying then I'm out of here. Unless I believe the town's pink-haired psychic's prediction. Or embrace the sense of belonging I feel at being back home. Or give in to the emotions stirring inside when Kade's attention is suddenly on me. He scares the crap out of me. He thrills me. He used to tell me our love was bigger than the sky. I always knew ours was a once-in-a-lifetime love. So how can he be so sure it can happen again? Adult content. Not recommended for readers under 18

Serenity's Promise Oct 21 2022 Death we must endure, but what happens afterward? Mary O'Neil says she knows what transpires afterlife...and can prove it. Serenity's senior year had gone from collections of memories to recollections of regret. The end could not come fast enough for her. Trevor felt life had given him a raw deal. He intended on cramming as many years' worth of life as he could in the very possible short time he had left. In 1968, Serenity Marolis, a young woman just out of high school, struggled to survive after plunging into the ferocious waters of Niagara Falls. While she was fighting for her life, she found herself in the realm between life and death and was sent on a journey through history by an angelic being. As Serenity made her way toward her eternal destination, she hoped to

find her friend waiting on the other side. Sixteen-year-old Trevor Wyatt did not believe in eternity or that if there was a God, He would allow a person to suffer with the heart condition Trevor had had to live with. In 2018, Trevor met Mary O'Neil, who told of Serenity's plight. He considered the story a fictional tale designed to convert him to Christ and was not persuaded. The stories were suddenly entwined, but would it change his mind? Self Serenity Dec 11 2021 A quest for the peace of the soul and the body are inevitably intertwined, thus we worship Allah both spiritually and physically. Yet the spiritual absence of worship disrupts the confluence of man's relationship with his Creator, causing disharmony, adversity and desolation within oneself. The principal objective behind this book is to take the reader along a journey of discovery - how to attain, achieve and sustain self serenity. In accomplishing this, the human being is at peace with himself and his environment, and copes with life's circumstances with ease; knowing with certainty that with unstable faith in Allah, he will triumph.
