Fireflies May 16 2022 "Fireflies," although set in Barcelona during the Spanish Civil War, could readily take place in a bellicose situation anywhere in the world. It contains an expose of the chasm between generations, between rich and poor, between materialism and idealism. This novel has a socioeconomic/psychological relevance that leaves the reader pondering the consequences of war and the nugatory effects of imposing status quo values on adolescents who are in search of their own truth, their raison d'etre. The story centers on the lives

of two adolescents from opposite levels of society whose redemption lies in their short-lived mutual love, which ends tragically."

The Storyteller Aug 27 2020 The award-winning YA author weaves "an unsettling tapestry of ugly secrets, violence, suspense, twisted motives and love's unfathomable ways" (Kirkus). Anna and Abel couldn't be more different. They are both seventeen and in their last year of school, but while Anna lives in a nice old town house and comes from a well-to-do family, Abel,

the school drug dealer, lives in a grim tower block at the edge of town. Anna naturally keeps her distance from Abel. But when she discovers that he is the only one caring for his six-year-old sister, her fear turns to fascination. Anna follows the two, listening as Abel tells little Micha the story of a tiny queen assailed by dark forces. It's a beautiful fairy tale that lets Anna see Abel's reality. Unable to make ends meet, he's in danger of losing Micha to their abusive father. Anna gradually falls in love with Abel, but when his "enemies" begin to turn up dead, she fears she has fallen for a murderer. Antonia Michaelis, the Batchelder Honor Award-winning author of Tiger Moon, moves in a bold new direction with her latest novel: a dark, haunting, contemporary story that is part mystery, part melodrama, and part dark romance.

The Book Of Dead Philosophers Feb 19 2020 Starting from the premise that philosophers' deaths have been as interesting as their lives, Simon Critchley looks at the strange circumstances in which some philosophers have died and then confronts the big themes - in this case, what 'a good death' means and how to live with the knowledge of death. The book consists of short entries on various philosophers, cataloguing the manner of their demises and linking this to their central ideas, from the Pre-Socratics to Rousseau, Kant and Nietzsche among many others. The book concludes with Critchley's thoughts on the ideal of the philosophical death as a way of denouncing contemporary delusions and sophistries, what Francis Bacon saw as the Idols of the Tribe, the Den, the Market-Place and the Theatre (incidentally, Bacon died in a particularly cold winter in London in 1626 from a cold contracted after trying to stuff a chicken with snow as an experiment in refrigeration).

El aviso (e-original) Jun 17 2022 El aviso es la primera novela de Paul Pen, uno de los autores españoles con más proyección internacional y que ha vendido hasta la fecha más de 100.000 ejemplares en Estados Unidos y Reino Unido de sus obras. Será sólo el primero de una serie de mensajes que intentarán advertirle de un fatal destino. Cuando sus padres busquen respuestas, se enfrentarán a un terrible descubrimiento: ¿es el propio Leo el autor de esos mensajes? Aarón decide poner fin a su relación con Andrea tras diez años de noviazgo. Esa noche, pide a su amigo David que vaya a la tienda del americano a realizar una entrega que tenía apalabrada. Allí, tras el cartel de neón en el que brilla la palabra Open, David recibe un disparo. Atormentado por la culpa, Aarón buscará una explicación para el trágico cruce de destinos. Ambas historias transcurren en Arenas de la Despernada, un pueblo residencial de la periferia madrileña, orgulloso de su lago, su universidad privada y su parque acuático, cuyo mayor secreto resulta no ser la silueta oscura que a veces se aparece tras las cortinas de la casa al final del camino de arena. con Raúl Arévalo y Belén Cuesta como protagonistas.

La metamorfosis infinita Oct 21 2022 Se llama Alegría. Tiene diecinueve años y toda la vida por delante. Esta noche ha quedado para salir con sus compañeras de academia. Se viste frente al espejo con la camiseta extragrande que deja al descubierto su hombro, mostrando el tatuaje de su mariposa favorita. En la cocina, se despide de su madre. Viven solas en un apartamento de la periferia, el primer hogar que han logrado construir tras un pasado marcado por la violencia. Ahora, después de muchos años, por fin están en paz. Lo que ninguna de las dos sabe es que el beso con el que se despiden en la cocina es el último que van a darse. Volviendo a casa de madrugada, Alegría se encuentra con un grupo de hombres en un callejón. Un supuesto coqueteo escala hasta la agresión. En el hospital, la madre de Alegría tan solo llega a tiempo de escuchar el sonido más terrible al que puede enfrentarse una madre: el último latido del corazón de su hija. La muerte de Alegría sacude a un país indignado con el asesinato de otra mujer. Masivas manifestaciones piden una pena ejemplar para los Descamisados, apodo con el que la prensa ha bautizado al grupo de agresores. Pero el juicio culmina con una injusta sentencia. Esta vez, la madre de Alegría no va a agachar la cabeza frente a la violencia. Otra vez no. Sola, planea una venganza contra los asesinos, inspirada en el fenómeno natural que tanto fascinaba a su hija: la metamorfosis de las mariposas. Para llevarla a cabo, necesitará ayuda. Y la encontrará en un grupo de desconocidos con los que mantiene un vínculo tan inesperado como asombroso.

Shadows on the Grave Apr 22 2020 Richard Corben follows up

2014's *Spirits of the Dead* with a new collection of original short stories, ranging from gothic tales worthy of Poe, to Twilight Zone-style encounters with the weird, to a full-length fantasy epic featuring a barbarian reminiscent of Corben's most notorious creation, Den, immortalized in the 1981 animated film *Heavy Metal*. Corben rose to prominence with short horror and science fiction stories in the early 1970s in *Creepy* and *Eerie*, which were later collected in *Creepy Presents Richard Corben*. He remains one of the most important voices in horror comics. In 2009 he won the Eisner for Best Miniseries as well as being named *Spectrum's Grand Master*, one of illustration's most prominent awards. In 2011 he won the Eisner for Best Oneshot, and the following year he was inducted in the Will Eisner Hall of Fame.

***Narrow But Endlessly Deep* Sep 27 2020 On 11 September 1973, the Chilean Chief of the Armed Forces Augusto Pinochet overthrew the Popular Unity government of Salvador Allende and installed a military dictatorship. Yet this is a book not of parties or ideologies but public history. It focuses on the memorials and memorialisers at seven sites of torture, extermination, and disappearance in Santiago, engaging with worldwide debates about why and how deeds of violence inflicted by the state on its own citizens should be remembered, and by whom. The sites investigated -- including the infamous National Stadium -- are among the most iconic of more than 1,000 such sites throughout the country. The study grants a glimpse of the depth of feeling that survivors and the families of the detained-disappeared and the politically executed bring to each of the sites. The book traces their struggle to memorialise each one, and so unfolds their idealism and hope, courage and frustration, their hatred, excitement, resentment, sadness, fear, division and disillusionment.**

***The Gloria Anzaldúa Reader* Oct 17 2019 Born in the Río Grande Valley of south Texas, independent scholar and creative writer Gloria Anzaldúa was an internationally acclaimed cultural**

theorist. As the author of *Borderlands / La Frontera: The New Mestiza*, Anzaldúa played a major role in shaping contemporary Chicano/a and lesbian/queer theories and identities. As an editor of three anthologies, including the groundbreaking *This Bridge Called My Back: Writings by Radical Women of Color*, she played an equally vital role in developing an inclusionary, multicultural feminist movement. A versatile author, Anzaldúa published poetry, theoretical essays, short stories, autobiographical narratives, interviews, and children's books. Her work, which has been included in more than 100 anthologies to date, has helped to transform academic fields including American, Chicano/a, composition, ethnic, literary, and women's studies. This reader—which provides a representative sample of the poetry, prose, fiction, and experimental autobiographical writing that Anzaldúa produced during her thirty-year career—demonstrates the breadth and philosophical depth of her work. While the reader contains much of Anzaldúa's published writing (including several pieces now out of print), more than half the material has never before been published. This newly available work offers fresh insights into crucial aspects of Anzaldúa's life and career, including her upbringing, education, teaching experiences, writing practice and aesthetics, lifelong health struggles, and interest in visual art, as well as her theories of disability, multiculturalism, pedagogy, and spiritual activism. The pieces are arranged chronologically; each one is preceded by a brief introduction. The collection includes a glossary of Anzaldúa's key terms and concepts, a timeline of her life, primary and secondary bibliographies, and a detailed index.

Grave of the Fireflies Apr 03 2021 On its release in 1988, *Grave of the Fireflies* riveted audiences with its uncompromising drama. Directed by Isao Takahata at Studio Ghibli and based on an autobiographical story by Akiyuki Nosaka, the story of two Japanese children struggling to survive in the dying days of the Second World War unfolds with a gritty realism unprecedented in

animation. Grave of the Fireflies has since been hailed as a classic of both anime and war cinema. In 2018, USA Today ranked it the greatest animated film of all time. Yet Ghibli's sombre masterpiece remains little analysed outside Japan, even as its meaning is fiercely contested - Takahata himself lamented that few had grasped his message. In the first book-length study of the film in English, Alex Dudok de Wit explores its themes, visual devices and groundbreaking use of animation, as well as the political context in which it was made. Drawing on untranslated accounts by the film's crew, he also describes its troubled production, which almost spelt disaster for Takahata and his studio.

Marijuana Boom Dec 31 2020 Before Colombia became one of the world's largest producers of cocaine in the 1980s, traffickers from the Caribbean coast partnered with American buyers in the 1970s to make the South American country the main supplier of marijuana for a booming US drug market, fueled by the US hippie counterculture. How did Colombia become central to the creation of an international drug trafficking circuit? Marijuana Boom is the story of this forgotten history. Combining deep archival research with unprecedented oral history, Lina Britto deciphers a puzzle: Why did the Colombian coffee republic, a model of Latin American representative democracy and economic modernization, transform into a drug paradise, and at what cost?

Otel | La sangre del muerto (Flash Relatos) Aug 19 2022 Dos cuentos asombrosos e inquietantes que muestran la magnífica

habilidad de Paul Pen para crear historias de suspense. En Otel Lorena ha emprendido un largo viaje en coche desde Madrid hasta Asturias para sorprender a su novio en el día de su cumpleaños. De momento nada ha salido bien, y mientras apura las últimas gotas de gasolina del depósito, perdida en mitad de un temporal que amenaza con dejarla atrapada en cualquier cuneta de estas carreteras secundarias y sin cobertura en su móvil, no puede dejar de pensar en esas películas -Psicosis, El resplandor- que tanto les gusta ver juntos en el sofá de casa, tiernamente arropados bajo una manta. Después de muchas reticencias, Lorena se resigna a aceptar la mano que le tiende un decadente letrero luminoso al que se le ha fundido una de sus letras: OTEL, y alquilar una de sus habitaciones hasta que amanezca. En La sangre del muerto, un grupo de adolescentes a quienes su última aventura nocturna se les ha ido de las manos, prestan declaración en comisaría... ¿Quién miente? ¿Alguno dice la verdad?

Libro de Las Preguntas Oct 29 2020 Pablo Neruda is one of the world's most popular poets, and The Book of Questions is Copper Canyon's all-time best-seller. This updated bilingual edition is entirely re-designed and features a new cover, new interior, and an introduction by translator. In The Book of Questions, Neruda refuses to be corralled by the rational mind. Composed of 316 unanswerable questions, these poems integrate the wonder of a child with the experiences of an adult. By turns Orphic, comic, surreal, and poignant, Neruda's questions lead the reader beyond reason into realms of intuition and pure imagination. Tell me, is the rose naked or is that her only dress? Why do trees conceal the splendor of their roots? Is there anything in the world sadder than a train standing in the rain? When Neruda died in 1973, The Book of Questions was one of eight unpublished poetry manuscripts that lay on his desk. In it, Neruda achieves a deeper vulnerability and vision than in his earlier work-and this unique book is a testament to everything that made Neruda an artist.

"Neruda's questions evoke pictures that make sense on a visual level before the reader can grasp them on a literal one. The effect is mildly dazzling [and] O'Daly's translations achieve a tone that is both meditative and spontaneous." -Publishers Weekly ***Pablo Neruda, born in southern Chile, led a life charged with poetic and political activity. He was the recipient of the Nobel Prize in Literature, the International Peace Prize, and served as Chile's ambassador to several countries, including Burma, France, and Argentina. He died in 1973. Actor-Network Theory and Tourism Feb 01 2021 The recent

surfacing of actor-network theory (ANT) in tourism studies correlates to a rising interest in understanding tourism as emergent thorough relational practice connecting cultures, natures and technologies in multifarious ways. Despite the widespread application of ANT across the social sciences, no book has dealt with the practical and theoretical implications of using ANT in Tourism research. This is the first book to critically engage with the use of ANT in tourism studies. By doing so, it challenges approaches that have dominated the literature for the last twenty years and casts new light on issues of materiality, ordering and networks in tourism. The book describes the approach, its possibilities and limitations as an ontology and research methodology, and advances its use and research in the field of tourism. The first three chapters of the book introduce ANT and its key conceptual premises, the book itself and the relation between ANT and tourism studies. Using illustrative cases and examples, the subsequent chapters deal with specific subject areas like materiality, risk, mobilities and ordering and show how ANT contributes to tourism studies. This part presents examples and cases which illustrate the use of the approach in a critical way. Inherently, the study of tourism is a multi-disciplinary field of research and that is reflected in the diverse academic backgrounds of the contributing authors to provide a broad post-disciplinary context of ANT in tourism studies. This unique book, focusing on emerging approaches in tourism research, will be of value to students, researchers and academics in tourism as well as the wider Social Sciences.

Hope and Other Punch Lines Jul 18 2022 The New York Times bestselling author of Tell Me Three Things and What to Say Next delivers a poignant and hopeful novel about resilience and reinvention, first love and lifelong friendship, the legacies of loss, and the stories we tell ourselves in order to survive. "A luminous, lovely story about a girl who builds a future from the ashes of her past." --KATHLEEN GLASGOW, New York Times bestselling author of Girl in Pieces Sometimes looking to the past helps you find your future. Abbi Hope Goldstein is like every other teenager, with a few smallish exceptions: her famous alter ego, Baby Hope, is the subject of internet memes, she has asthma, and sometimes people spontaneously burst into tears when they recognize her. Abbi has lived almost her entire life in the shadow of the terrorist attacks of September 11. On that fateful day, she was captured in what became an iconic photograph: in the picture, Abbi (aka "Baby Hope") wears a birthday crown and grasps a red balloon; just behind her, the South Tower of the World Trade Center is collapsing. Now, fifteen years later, Abbi is desperate for anonymity and decides to spend the summer before her seventeenth birthday incognito as a counselor at Knights Day Camp two towns away. She's psyched for eight weeks in the company of four-year-olds, none of whom have ever heard of Baby Hope. Too bad Noah Stern, whose own world was

irrevocably shattered on that terrible day, has a similar summer plan. Noah believes his meeting Baby Hope is fate. Abbi is sure it's a disaster. Soon, though, the two team up to ask difficult questions about the history behind the Baby Hope photo. But is either of them ready to hear the answers?

An ID Book Club Selection • "C. J. Tudor is terrific. I can't wait to see what she does next."—Harlan Coben, #1 New York Times bestselling author

Q: Why are you called the Other People? A: We are people just like you. People to whom terrible things have happened. We've found solace not in forgiveness or forgetting. But in helping each other find justice. Driving home one night, stuck behind a rusty old car, Gabe sees a little girl's face appear in its rear window. She mouths one word: Daddy. It's his five-year-old daughter, Izzy. He never sees her again. Three years later, Gabe spends his days and nights traveling up and down the highway, searching for the car that took his daughter, refusing to give up hope, even though most people believe she's dead. When the car that he saw escape with his little girl is found abandoned with a body inside, Gabe must confront not just the day Izzy disappeared but the painful events from his past now dredged to the surface.

Q: What sort of justice? A: That depends on the individual. But our ethos is a punishment that fits the crime. Fran and her daughter, Alice, also put in a lot of miles on the road. Not searching. Running. Because Fran knows what really happened to Gabe's daughter. She knows who is responsible. And she knows what they will do if they ever catch up to her and Alice.

Q: Can I request to have someone killed? A: If your Request is acceptable, and unless there are exceptional circumstances, we fulfill all Requests.

The Wasp Factory Jan 12 2022 The polarizing literary debut by Scottish author Ian Banks, The Wasp Factory is the bizarre, imaginative, disturbing, and darkly comic look into the mind of a child psychopath. Meet Frank Cauldhame. Just sixteen, and unconventional to say the least: Two years after I killed Blyth I murdered my young brother Paul, for quite different and more fundamental reasons than I'd disposed of Blyth, and then a year after that I did for my young cousin Esmerelda, more or less on a whim. That's my score to date. Three. I haven't killed anybody for years, and don't intend to ever again. It was just a stage I was going through.
