The Dragon King Dec 23 2022 Turn the page and open the door into the thrilling saga of The Dragon King, where myth and lore, love and magic are intermingled in a world where the strength of a pure heart stands against the powers of dark magic. Guardians, protectors of goodness and light in the world, had scarcely survived the Great War against their adversary Abdenagon the Destroyer, a fallen Guardian condemned to rule the nether gloom, who found a path into the world of the living through tempting the hearts of Guardians whose hearts fell into darkness, dark lords battling each other and the humans for the rule of all. After rebuilding the carnage of the long war, the Guardians of pure heart could not expunge the fear and hatred the humans felt toward them for the unimaginable suffering caused by the dark lords wielding their powers for evil. Guardians were forced to withdraw from the humans to live in the safety of their mountain sanctuary, Ellery Glen. In the millenniums of peace that followed, Abdenagon did not rest, regaining his strength he found in Fangull, a willing heart to fall into darkness, a servant who surpassed his expectations. Great darkness loomed over the world once again. A war the Guardians were ill prepared to fight-with their powers limited by ancient weaves, their eyes blinded, and their hearts bound by eons of beliefs and traditions that no longer held true. They awaited the fulfillment of the prophecy that a king would come to lead them into battle. The king that came was not what they had expected; their hearts fell into despair as the evil one stirred and darkness threatened to eclipse their world of goodness and light. Thus begins The Chronicles of Dragons, Wizards, and Kings of Ellery Glen.

Dragon Legends Book One Jun 24 2020 After fifteen centuries of peaceful unending rule in Thecia, the Praetorian Imperial Dynasty came to an abrupt and shocking end with the assassination of Emperor Titus II, in the year 16187; leaving the world throne vacant without heir and up for grabs. After a long bloody decade of unresolved war and conflict and the tragic loss of tens of thousands of lives, an even greater and more alarming concern arose. A great horror arose from beyond the mountainous north. Long thought to be extinct - long believed to be nothing more than myth - a legend; a children's fairy tale come to life. It had been many millennia since dragons were last said to have flown the skies of Thecia. In the midst of the world's greatest internal turmoil and struggles, dragons had once again been sighted high in the skies above the craggy inaccessible northernmost peaks. Further troubling news came in from the south, as sea dragons had also been sighted in the south-western seas. The time of a global Dragon Rising seemed to be imminent. Even worse, it was rumored the dragons were intelligent. And organized. And it was said the dragons had a King. To most Thecians, it seemed to signal the beginning of the end, and that their doom was nigh; for Draic'Kin and man had never been known to coexist. The civil war was bad enough and had decimated their numbers. But neither man nor army could hope to stand against even a single mighty dragon. Mankind was divided and had no ruler. They had no unity. They were ripe to be conquered and completely obliterated from existence and it was widely believed the dragons had returned to do just that. It looked to be the end of all things. The people had no help, they had no hope, and they had no future. Or did they? ----- Dragon Legends Book 1: Dragon King Book 2: Dragon Queen Book 3: Dragon Rising
