Good Night, Gorilla Apr 16 2022 A must have classic for all baby bedtimes and gifting opportunities. Good night, Gorilla. . . Good night, Elephant. . . It's bedtime at the zoo, and all the animals are going to sleep. Or are they? Who's that short, furry guy with the keys in his hand and the mischievous grin? Sneak along behind the zookeeper's back and see who gets the last laugh in this riotous good-night romp. The new generous trim size of every toddler's favorite book is even easier to share. With a warm, funny author's note highlighting how much this book has meant to kids and families since it was first published and some clever new details hidden in the illustrations, Good Night, Gorilla is the perfect gift for new babies as well as fans young and old. Look for Peggy Rathmann's other lively favorites 10 Minutes Till Bedtime and The Day the Babies Crawled Away.

Thesaurus of ERIC Descriptors Aug 28 2020 Researchers have come to rely on this thesaurus to locate precise terms from the controlled vocabulary used to index the ERIC database. This, the first print edition in more than 5 years, contains a total of 10,773 vocabulary terms with 206 descriptors and 210 use references that are new to this edition. A popular and widely used reference tool for sets of education-related terms established and updated by ERIC lexicographers to assist searchers in defining, narrowing, and broadening their search strategies. The Introduction to the Thesaurus contains helpful information about ERIC indexing rules, deleted and invalid descriptors, and useful parts of the descriptor entry,

such as the date the term was added and the number of times it has been used.

SAT For Dummies Apr 04 2021 Get ready to own the SAT! The most surefire way to ace the SAT is to show up on exam day with calm confidence, ready to own the test. To do that, you need to prepare—you should know what to expect and plan accordingly. The SAT assesses what you've covered in high school, so the best way to prepare is with a systematic content refresher, some solid study strategies, and plenty of practice, practice, practice. The proven tools and techniques in SAT For Dummies help you do just that and get you ready to take - and take down - the SAT. In a friendly, step-by-step style, SAT For Dummies goes beyond simply rehashing what you've learned (and forgotten!) In school and applies your learning to the test itself, with examples for every question type, tips for answering questions quickly, advice on guessing, and pitfalls to avoid. The study questions and practice exams are designed to build your skills, identify areas that need extra work, and develop your confidence for the big day. Know how to answer for a higher score Acquire killer techniques for math and essay questions Access four full-length practice exams online Study key SAT vocabulary words Succeeding on the SAT is like handling any other task—if you know what to do and get plenty of practice, you'll be fine. This book shows you how it's done.
