amateur and professional results: Consistency,
systems and habits. Bead weaving, like any other
craft, is a creative process that demands a wide
array of design skills. Composition, color,

contrast, weaving techniques... are just a few of
the parameters to consider in order to make a
great beadwork project. All of them are crucial,
but getting organized and planning ahead is the
key to make them work together. Patricia
Fritzmeier's collection of seed bead graph
papers is a simple yet effective tool to help you
to set those systems in place. Drawing and
planning ahead the pieces will boost not only
your production times, but your creativity.
Gather all of your drawings together and reflect
on your successes and failures. Keep record of
your patterns so that you can replicate good past
design decisions. This sketchbook features:
Loom beading graph paper. Space to keep over
unique 340 patterns. Keep track of your best
pieces through a clear index of designs. Plan
your production needs for every piece and
systematize your shopping supplies. Do not wait
for the muse. Make your own designs. Get a
sketchbook and some markers and start
compiling your ideas together! Description -
