Daughter of the Pirate King Jun 07 2021 There will be plenty of time for me to beat him soundly once I've gotten what I came for. Sent on a mission to retrieve an ancient hidden map—the key to a legendary treasure trove—seventeen-year-old pirate captain Alosa deliberately allows herself to be captured by her enemies, giving her the perfect opportunity to search their ship. More than a match for the ruthless pirate crew, Alosa has only one thing standing between her and the map: her captor, the unexpectedly clever and unfairly attractive first mate Riden. But not to worry, for Alosa has a few tricks up her sleeve, and no lone pirate can stop the Daughter of the Pirate King. In *Daughter of the Pirate King*, debut author Tricia Levenseller blends action, adventure, romance, and a little bit of magic into a thrilling pirate tale.

[Queer Theory in Education](#) Dec 01 2020 Theoretical studies in curriculum have begun to move into cultural studies--one vibrant and

increasingly visible sector of which is queer theory. Queer Theory in Education brings together the most prominent and promising scholars in the field of education--primarily but not exclusively in curriculum--in the first volume on queer theory in education. In his perceptive introduction, the editor outlines queer theory as it is emerging in the field of education, its significance for all scholars and teachers, and its relation to queer theory in literacy theory and more generally, in the humanities.

Malice Jun 19 2022 A princess isn't supposed to fall for an evil sorceress. But in this "bewitching and fascinating" (Tamora Pierce) retelling of "Sleeping Beauty," true love is more than a simple fairy tale. "Walter's spellbinding debut is for all the queer girls and women who've been told to keep their gifts hidden and for those yearning to defy gravity."—O: The Oprah Magazine Once upon a time, there was a wicked fairy who, in an act of vengeance, cursed a line of princesses to die. A curse that could only be broken by true love's kiss. You've heard this before, haven't you? The handsome prince. The happily ever after. Utter nonsense. Let me tell you, no one in Briar actually cares about what happens to its princesses. Not the way they care about their jewels and elaborate parties and charm-granting elixirs. I thought I didn't care, either. Until I met her. Princess Aurora. The last heir to Briar's throne. Kind. Gracious. The future queen her realm needs. One who isn't bothered that I am Alyce, the Dark Grace, abhorred and feared for the mysterious dark magic that runs in my veins. Humiliated and shamed by the same nobles who pay me to bottle hexes and then brand me a monster. Aurora says I should be proud of my gifts. That she . . . cares for me. Even though a power like mine was responsible for her curse. But with less than a year until that curse will kill her, any future I might see with Aurora is swiftly disintegrating—and she can't stand to kiss yet another insipid prince. I want to help her. If my power began her curse, perhaps it's what can lift it. Perhaps together we could forge a new world. Nonsense again. Because we all know how this story ends, don't we? Aurora is the beautiful princess. And I— I am the villain. Book One of the Malice Duology

Islam and Global Dialogue Nov 19 2019 At a time when the world is becoming increasingly interdependent, multi-cultural and multi-religious, the concept of religious pluralism is under assault as a result of hatred, prejudice and misunderstanding from both religious

exclusivists and dogmatic secularists. In this important and timely book, twenty internationally acclaimed scholars and leading religious thinkers respond to contemporary challenges in different ways. Some discuss the idea of a dialogue of civilisations; others explore the interfaith principles and ethical resources of their own spiritual traditions. All of them reject the notion that any single religion can claim a monopoly of wisdom; all are committed to the ideal of a just and peaceful society in which people of different religions and cultures can happily coexist. More space is here given to Islam than to Judaism and Christianity because, as a result of negative stereotypes, it is the most misunderstood of the major world religions. HRH Prince Hassan bin Talal of Jordan contributes the Foreword.

Brill's Companion to Prequels, Sequels, and Retellings of Classical Epic Apr 17 2022 Brill's Companion to Prequels, Sequels, and Retellings of Classical Epic explores the long tradition of continuing Greek and Roman epics from Homer and the epic cycle to the contemporary novels of Ursula K. Le Guin and Margaret Atwood.

Luke's Literary Achievement Oct 31 2020 The essays in this collection come from a research symposium involving the universities of Manchester and Lausanne. The essays cover a wide range of mutually-enriching approaches to the study of the Lukan writings. Aspects considered include Luke's use of the term 'Son of Man', his use of scripture, his literary achievements, and the issue of 'godfearers' in Acts.

Stalin's Library Jan 26 2023 A compelling intellectual biography of Stalin told through his personal library In this engaging life of the twentieth century's most self-consciously learned dictator, Geoffrey Roberts explores the books Stalin read, how he read them, and what they taught him. Stalin firmly believed in the transformative potential of words and his voracious appetite for reading guided him throughout his years. A biography as well as an intellectual portrait, this book explores all aspects of Stalin's tumultuous life and politics. Stalin, an avid reader from an early age, amassed a surprisingly diverse personal collection of thousands of books, many of which he marked and annotated revealing his intimate thoughts, feelings, and beliefs. Based on his wide-ranging research in Russian archives, Roberts tells the story of the creation, fragmentation, and resurrection of Stalin's personal library. As a true believer in communist ideology, Stalin was a fanatical idealist who hated his

enemies—the bourgeoisie, kulaks, capitalists, imperialists, reactionaries, counter-revolutionaries, traitors—but detested their ideas even more.

Political Representation Jan 22 2020 Political representation lies at the core of modern politics. Democracies, with their vast numbers of citizens, could not operate without representative institutions. Yet relations between the democratic ideal and the everyday practice of political representation have never been well defined and remain the subject of vigorous debate among historians, political theorists, lawyers, and citizens. In this volume, an eminent group of scholars move forward the debates about political representation on a number of fronts. Drawing on insights from political science, history, political theory, economics, and anthropology, the authors provide much-needed clarity to some of the most vexing questions about political representation. They also reveal new and enlightening perspectives on this fundamental political practice. Topics discussed include representation before democracy, political parties, minorities, electoral competition, and ideology. This volume is essential reading for anyone interested in the ideal and the reality of political representation.

The Flight of Gemma Hardy Mar 24 2020 New York Times Bestseller “An exceptionally well-plotted, well-crafted, innovatively interpreted modern twist on a timeless classic, one that’s sure to delight the multitudes of Brontë fans, and the multitudes of fans that Livesey deserves.” —The Boston Globe “A suspenseful, curl-up-by-the-fire romance with a willfully determined protagonist who’s worthy of her literary role model.” — People The resonant story of a young woman’s struggle to take charge of her own future, *The Flight of Gemma Hardy* is a modern take on a classic story—Charlotte Brontë’s *Jane Eyre*—that will fascinate readers of the Gothic original and fans of modern literary fiction alike, with its lyrical prose, robust characters, and abundant compassion. Set in early 1960s Scotland, this breakout novel from award-winning author Margot Livesey is a tale of determination and spirit that, like *The Three Weissmanns of Westport* and *A Thousand Acres*, spins an unforgettable new story from threads of our shared, still-living literary past.

Acreage Allotment and Marketing Quota Summary Aug 21 2022 Excerpt from *Acreage Allotment and Marketing Quota Summary*: September 1955 This *Acreage Allotment and Marketing Quota*

Summary has been prepared primarily for the use of employees of the Department of Agriculture to help answer some of the principal questions which arise about the Operations of the Department's acreage allotment and marketing quota programs for the basic commodities-corn, wheat, cotton, rice, peanuts, and tobacco. These acreage allotment and marketing quota programs, which are conducted in conjunction with 000 price support programs, provide the means for helping to bring supplies in better balance with requirements. Malibu Rising Nov 12 2021 NEW YORK TIMES BESTSELLER • Read with Jenna Book Club Pick as Featured on Today • From the author of *Daisy Jones & The Six* and *The Seven Husbands of Evelyn Hugo* . . . ONE OF THE BEST BOOKS OF THE YEAR: *The Washington Post*, *Time*, *Marie Claire*, *PopSugar*, *Parade*, *Teen Vogue*, *Self*, *She Reads* • “Irresistible . . . High drama at the beach, starring four sexy, surfing siblings and their deadbeat, famous-crooner dad.”—*People* Four famous siblings throw an epic party to celebrate the end of the summer. But over the course of twenty-four hours, the family drama that ensues will change their lives forever. *Malibu: August 1983*. It’s the day of Nina Riva’s annual end-of-summer party, and anticipation is at a fever pitch. Everyone wants to be around the famous Rivas: Nina, the talented surfer and supermodel; brothers Jay and Hud, one a championship surfer, the other a renowned photographer; and their adored baby sister, Kit. Together the siblings are a source of fascination in Malibu and the world over—especially as the offspring of the legendary singer Mick Riva. The only person not looking forward to the party of the year is Nina herself, who never wanted to be the center of attention, and who has also just been very publicly abandoned by her pro tennis player husband. Oh, and maybe Hud—because it is long past time for him to confess something to the

brother from whom he's been inseparable since birth. Jay, on the other hand, is counting the minutes until nightfall, when the girl he can't stop thinking about promised she'll be there. And Kit has a couple secrets of her own—including a guest she invited without consulting anyone. By midnight the party will be completely out of control. By morning, the Riva mansion will have gone up in flames. But before that first spark in the early hours before dawn, the alcohol will flow, the music will play, and the loves and secrets that shaped this family's generations will all come rising to the surface. *Malibu Rising* is a story about one unforgettable night in the life of a family: the night they each have to choose what they will keep from the people who made them . . . and what they will leave behind.

Lost Subjects, Contested Objects Feb 03 2021 A study of love and hate in learning and an argument for why educators might begin with consideration of these psychical dynamics when interpreting the conflictive dreams of education.

Retelling Violent Death Dec 25 2022 This book provides insight and instruction for bereaved readers and those who work with them.

A Wrinkle in Time Oct 11 2021 A Puffin Book - stories that last a lifetime. Now a major motion picture! Puffin Modern Classics are relaunched under a new logo: A Puffin Book. There are 20 titles to collect in the series, listed below, all with exciting new covers and fun-filled endnotes. *A WRINKLE IN TIME* is a classic sci-fi adventure for children by bestselling US author, Madeleine L'Engle. When Charles Wallace Murry goes searching through a 'wrinkle in time' for his lost father, he finds himself on an evil planet where all life is enslaved by a huge pulsating brain known as 'It'. How Charles, his sister Meg and friend Calvin find and free his father makes this a very special and exciting mixture of fantasy and science fiction, which all the way through is dominated by the funny and mysterious trio of guardian angels known as Mrs Whatsit, Mrs Who and Mrs Which. Madeleine L'Engle lived in New York and wrote over 60 books for children, including *A WRINKLE IN TIME*, the first in her Time Quintet series and winner of the highly prestigious Newbury Medal. she died in 2007, aged 88.

Fahrenheit 451 Oct 23 2022 Set in the future when "firemen" burn books forbidden by the totalitarian "brave new world" regime.

Telling and Retelling Apr 05 2021

The Harlot by the Side of the Road Jun 26 2020 Sex. Violence.

Scandal. These are words we rarely associate with the sacred text of the Bible. Yet in this brilliant new book, Jonathan Kirsch shows that the Old Testament is filled with some of the most startling and explicit stories in all of Western literature. These tales of seduction and rape, voyeurism and exhibitionism, intermarriage and illegitimacy, assassination and murder have been suppressed by religious authorities throughout history precisely because they are so shocking. "You mean that's in the Bible?" is the common reaction of the contemporary reader to the stories that Kirsch retells and explores. In *The Harlot by the Side of the Road*, Kirsch recounts these suppressed and mistranslated tales in the grand storytelling tradition. Here is the tale of Dinah, the young Israelite daughter raped by a princely suitor. The price for her hand in marriage? The circumcision of every man in his kingdom. Here, too, is the story of Lot's daughters, who, when faced with the possibility that they are the last survivors on earth, must copulate with their drunken father to continue their race. And the story of Tamar, the harlot by the side of the road, who must disguise herself as a prostitute and seduce her father-in-law in order to bear the child who has been promised her. Kirsch places each story within the political and social context of its time, and delves into the latest biblical scholarship to explain why each story was originally censored. He also brings to light when and where each story was first written down, and how it found its way into the Bible. And he shows how these stories have something important to say to contemporary readers who might never pick up a Bible. Kirsch reveals that the Bible's real power lies in its unflinching lessons in human nature. And he illuminates the surprising modernity of the Bible's characters: these were, like us, people delicately balanced between their destructive and generous natures. Certain to excite controversy and ignite intellectual debate, *The Harlot by the Side of the Road* will undoubtedly be one of the year's most talked-about books.

The Kiss Quotient Sep 10 2021 From the author of *The Bride Test* comes a romance novel hailed as one of *The Washington Post's* 50 Notable Works of Fiction in 2018 and one of Amazon's Top 100 Books of 2018! "This is such a fun read and it's also quite original and sexy and sensitive."—Roxane Gay, *New York Times* bestselling author "Hoang's writing bursts from the page."—Buzzfeed A heartwarming and refreshing debut novel that proves one thing: there's not enough data in the world to predict what will make your heart tick. Stella

Lane thinks math is the only thing that unites the universe. She comes up with algorithms to predict customer purchases—a job that has given her more money than she knows what to do with, and way less experience in the dating department than the average thirty-year-old. It doesn't help that Stella has Asperger's and French kissing reminds her of a shark getting its teeth cleaned by pilot fish. Her conclusion: she needs lots of practice—with a professional. Which is why she hires escort Michael Phan. The Vietnamese and Swedish stunner can't afford to turn down Stella's offer, and agrees to help her check off all the boxes on her lesson plan—from foreplay to more-than-missionary position... Before long, Stella not only learns to appreciate his kisses, but craves all of the other things he's making her feel. Their no-nonsense partnership starts making a strange kind of sense. And the pattern that emerges will convince Stella that love is the best kind of logic...

Summary of the Marketing Quota Provisions of the Agricultural Adjustment Act of 1938, as Amended Mar 04 2021
Reading, Translating, Rewriting Jan 02 2021 In translating Charles Perrault's seventeenth-century *Histoires ou contes du temps passé, avec des Moralités* into English, Angela Carter worked to modernize the language and message of the tales before rewriting many of them for her own famous collection of fairy tales for adults, *The Bloody Chamber*, published two years later. In *Reading, Translating, Rewriting: Angela Carter's Translational Poetics*, author Martine Hennard Dutheil de la Rochère delves into Carter's *The Fairy Tales of Charles Perrault* (1977) to illustrate that this translation project had a significant impact on Carter's own writing practice. Hennard combines close analyses of both texts with an attention to Carter's active role in the translation and composition process to explore this previously unstudied aspect of Carter's work. She further uncovers the role of female fairy-tale writers and folktales associated with the Grimms' *Kinder- und Hausmärchen* in the rewriting process, unlocking new doors to *The Bloody Chamber*. Hennard begins by considering the editorial evolution of *The Fairy Tales of Charles Perrault* from 1977 to the present day, as Perrault's tales have been rediscovered and repurposed. In the chapters that follow, she examines specific linkages between Carter's Perrault translation and *The Bloody Chamber*, including targeted analysis of the stories of *Red Riding Hood*, *Bluebeard*, *Puss-in-Boots*, *Beauty and the Beast*,

Sleeping Beauty, and Cinderella. Hennard demonstrates how, even before *The Bloody Chamber*, Carter intervened in the fairy-tale debate of the late 1970s by reclaiming Perrault for feminist readers when she discovered that the morals of his worldly tales lent themselves to her own materialist and feminist goals. Hennard argues that *The Bloody Chamber* can therefore be seen as the continuation of and counterpoint to *The Fairy Tales of Charles Perrault*, as it explores the potential of the familiar stories for alternative retellings. While the critical consensus reads into Carter an imperative to subvert classic fairy tales, the book shows that Carter valued in Perrault a practical educator as well as a proto-folklorist and went on to respond to more hidden aspects of his texts in her rewritings.

Iron Widow Nov 24 2022 An instant #1 New York Times bestseller! Pacific Rim meets *The Handmaid's Tale* in this blend of Chinese history and mecha science fiction for YA readers. The boys of Huaxia dream of pairing up with girls to pilot Chrysalises, giant transforming robots that can battle the mecha aliens that lurk beyond the Great Wall. It doesn't matter that the girls often die from the mental strain. When 18-year-old Zetian offers herself up as a concubine-pilot, it's to assassinate the ace male pilot responsible for her sister's death. But she gets her vengeance in a way nobody expected—she kills him through the psychic link between pilots and emerges from the cockpit unscathed. She is labeled an Iron Widow, a much-feared and much-silenced kind of female pilot who can sacrifice boys to power up Chrysalises instead. To tame her unnerving yet invaluable mental strength, she is paired up with Li Shimin, the strongest and most controversial male pilot in Huaxia. But now that Zetian has had a taste of power, she will not cower so easily. She will miss no opportunity to leverage their combined might and infamy to survive attempt after attempt on her life, until she can figure out exactly why the pilot system works in its misogynist way—and stop more girls from being sacrificed.

The Kiss Quotient Sep 22 2022 A heartwarming and refreshing debut novel that proves one thing: there's not enough data in the world to predict what will make your heart tick Stella Lane thinks mathematics is the only thing that unites the universe. She comes up with algorithms to predict customer purchases - a job that has given her more money than she knows what to do with and far less experience in the dating department than the average thirty-year-old.

It doesn't help that Stella has Asperger's and French kissing reminds her of a shark getting its teeth cleaned by pilot fish. Her conclusion: she needs lots of practice - with a professional. Sisters Red Aug 29 2020 Scarlett March lives to hunt the Fenris--the werewolves that took her eye when she was defending her sister Rosie from a brutal attack. Armed with a razor-sharp hatchet and blood-red cloak, Scarlett is an expert at luring and slaying the wolves. She's determined to protect other young girls from a grisly death, and her raging heart will not rest until every single wolf is dead. Rosie March once felt her bond with her sister was unbreakable. Owing Scarlett her life, Rosie hunts ferociously alongside her. But even as more girls' bodies pile up in the city and the Fenris seem to be gaining power, Rosie dreams of a life beyond the wolves. She finds herself drawn to Silas, a young woodsman who is deadly with an ax and Scarlett's only friend--but does loving him mean betraying her sister and all that they've worked for?

The Necessity of a Tobacco Quota Buyout Feb 15 2022

Pacific Women in Politics May 06 2021 Women are significantly underrepresented in politics in the Pacific Islands, given that only one in twenty Pacific parliamentarians are female, compared to one in five globally. A common, but controversial, method of increasing the number of women in politics is the use of gender quotas, or measures designed to ensure a minimum level of women's representation. In those cases where quotas have been effective, they have managed to change the face of power in previously male-dominated political spheres. How do political actors in the Pacific islands region make sense of the success (or failure) of parliamentary gender quota campaigns? To answer the question, Kerryn Baker explores the workings of four campaigns in the region. In Samoa, the campaign culminated in a "safety net" quota to guarantee a minimum level of representation, set at five female members of Parliament. In Papua New Guinea, between 2007 and 2012 there were successive

campaigns for nominated and reserved seats in parliament, without success, although the constitution was amended in 2011 to allow for the possibility of reserved seats for women. In post-conflict Bougainville, women campaigned for reserved seats during the constitution-making process and eventually won three reserved seats in the House of Representatives, as well as one reserved ministerial position. Finally, in the French Pacific territories of New Caledonia, French Polynesia, and Wallis and Futuna, Baker finds that there were campaigns both for and against the implementation of the so-called “parity laws.” Baker argues that the meanings of success in quota campaigns, and related notions of gender and representation, are interpreted by actors through drawing on different traditions, and renegotiating and redefining them according to their goals, pressures, and dilemmas. Broadening the definition of success thus is a key to an understanding of realities of quota campaigns. *Pacific Women in Politics* is a pathbreaking work that offers an original contribution to gender relations within the Pacific and to contemporary Pacific politics.

[Acreage Allotment and Marketing](#) Mar 16 2022

To Paradise Feb 21 2020 #1 NEW YORK TIMES BEST SELLER • From the award-winning, best-selling author of the classic *A Little Life*—a bold, brilliant novel spanning three centuries and three different versions of the American experiment, about lovers, family, loss and the elusive promise of utopia. A BEST BOOK OF THE YEAR: VOGUE • ESQUIRE • NPR • GOODREADS *To Paradise* is a fin de siècle novel of marvelous literary effect, but above all it is a work of emotional genius. The great power of this remarkable novel is driven by Yanagihara’s understanding of the aching desire to protect those we love—partners, lovers, children, friends, family, and even our fellow citizens—and the pain that ensues when we cannot. In an alternate version of 1893 America, New York is part of the Free States, where people may live and love whomever they please (or so it seems). The fragile young scion of a distinguished family resists betrothal to a worthy suitor, drawn to a charming music teacher of no means. In a 1993 Manhattan besieged by the AIDS epidemic, a young Hawaiian man lives with his much older, wealthier partner, hiding his troubled childhood and the fate of his father. And in 2093, in a world riven by plagues and governed by totalitarian rule, a powerful scientist’s damaged granddaughter tries to navigate life without

him—and solve the mystery of her husband’s disappearances. These three sections comprise an ingenious symphony, as recurring notes and themes deepen and enrich one another: A townhouse in Washington Square Park in Greenwich Village; illness, and treatments that come at a terrible cost; wealth and squalor; the weak and the strong; race; the definition of family, and of nationhood; the dangerous righteousness of the powerful, and of revolutionaries; the longing to find a place in an earthly paradise, and the gradual realization that it can’t exist. What unites not just the characters, but these Americas, are their reckonings with the qualities that make us human: Fear. Love. Shame. Need. Loneliness.

Qumran Interpretation of the Genesis Flood Oct 19 2019 The Dead Sea Scrolls have opened up for modern readers the ancient world of Jewish interpretation of the Bible during the Second Temple period. Among these scrolls are several manuscripts dating to the first century BC, the oldest surviving texts dealing with interpretation of the Genesis Flood. A literary analysis of the four primary Qumran Flood texts (1QapGen, 4Q252, 4Q370, and 4Q422) reveals how ancient Jews interpreted and employed the Genesis Flood narrative. These texts contain commentary, paraphrase, and admonition, among other things, addressing issues such as the cause, chronology, and purpose of the Flood. In addition, these fragmentary treasures reveal such ancient understandings of the Flood as a reversal and renewal of creation, a restoration of Eden and anticipation of the Promised Land, and an archetype of eschatological judgment.

Acreege Allotment and Marketing Quota Summary Dec 13 2021
Theorizing Narrativity Dec 21 2019 Theorizing Narrativity is a collective work by an international array of leading specialists in narrative theory. It provides new perspectives on the nature of narrative, genre theory, narrative semiotics and communication theory. Most contributions center on the specificity of literary fiction, but each chapter investigates a different dimension of narrativity with many issues dealt with in innovative ways (including oral storytelling, the law, video games, causality, intertextuality and the theory of reading). There are chapters by Gerald Prince on narrativehood and narrativity, Meir Sternberg on the narrativity of the law-code, Werner Wolf on chance and Peter Hühn on eventfulness in fiction, Jukka Tyrkkö on kaleidoscope narratives, Marie-Laure Ryan on transfictionality and computer games, Ansgar Nünning and Roy

Sommer as well as Monika Fludernik on the narrativity of drama, Beatriz Penas on (non)standard narrativities, David Rudrum on narrativity and performativity, Michael Toolan on textual guidance, John Pier on causality and retrospection, and José Ángel García Landa on retelling and represented narrations.

Out of the Depths Sep 29 2020 In this revision of his classic text, Bernhard Anderson takes into account recent developments in psalm study as well as advances in scholarship. Still faithful to his earlier commitment to form-critical approach, Anderson revises every chapter and adds three new ones: on the style and poetry of the psalms, on the penitential psalms, and on reading the book of psalms as a whole.

Jaya Jul 08 2021 High above the sky stands Swarga, paradise, abode of the gods. Still above is Vaikuntha, heaven, abode of God. The doorkeepers of Vaikuntha are the twins, Jaya and Vijaya, both whose names mean 'victory'. One keeps you in Swarga; the other raises you into Vaikuntha. In Vaikuntha there is bliss forever, in Swarga there is pleasure for only as long as you deserve. What is the difference between Jaya and Vijaya? Solve this puzzle and you will solve the mystery of the Mahabharata. In this enthralling retelling of India's greatest epic, the Mahabharata, originally known as Jaya, Devdutt Pattanaik seamlessly weaves into a single narrative plots from the Sanskrit classic as well as its many folk and regional variants,

including the Pandavani of Chattisgarh, Gondhal of Maharashtra, Terukkuttu of Tamil Nadu, and Yakshagana of Karnataka. Richly illustrated with over 250 line drawings by the author, the 108 chapters abound with little-known details such as the names of the hundred Kauravas, the worship of Draupadi as a goddess in Tamil Nadu, the stories of Astika, Madhavi, Jaimini, Aravan and Barbareek, the Mahabharata version of the Shakuntalam and the Ramayana, and the dating of the war based on astronomical data. With clarity and simplicity, the tales in this elegant volume reveal the eternal relevance of the Mahabharata, the complex and disturbing meditation on the human condition that has shaped Indian thought for over 3000 years.

Misrule Aug 09 2021 Does true love break curses or begin them? The dark sorceress of “Sleeping Beauty” reclaims her story in this sequel to Malice. “Fans of reimagined fairy tales and LGBTQ+ themes will be delighted with the conclusion of this fantasy duology.”—Booklist (starred review) The Dark Grace is dead. Feared and despised for the sinister power in her veins, Alyce wreaks her revenge on the kingdom that made her an outcast. Once a realm of decadence and beauty, Briar is now wholly Alyce’s wicked domain. And no one will escape the consequences of her wrath. Not even the one person who holds her heart. Princess Aurora saw through Alyce’s thorny facade, earning a love that promised the dawn of a new age. But it is a love that came with a heavy price: Aurora now sleeps under a curse that even Alyce’s vast power cannot seem to break. And the dream of the world they would have built together is nothing but ash. Alyce vows to do anything to wake the woman she loves, even if it means turning into the monster Briar believes her to be. But could Aurora love the villain Alyce has become? Or is true love only for fairy tales? Book Two of the Malice Duology

Belle Jul 28 2020 “So heartwarming and charming . . . an Amish novel that is a twist on the classic fairy tale Beauty and the Beast . . . beautiful and inspiring.” —Harlequin Junkie In author Sarah Price’s fresh and inspirational retelling of a beloved classic, a dutiful young Amish woman agrees to marry a notorious recluse for her family’s sake—but the consequences are more than either bargained for . . . To most townsfolk, he’s known simply as The Beast. Annabelle Beiler has little interest in gossip, but she’s heard about Adam Herschberger’s scars and his gruff, solitary ways. Though he sounds like a character

from one of Belle's treasured books, the man is real and, it turns out, just as unreasonable as the rumors claim. When a buggy accident wipes out the last of her daed's money, forcing him to sell their farm, Adam buys it. Then he offers Belle a deal—marry him, and her family can keep their home. Everyone is shocked by Belle's decision, but she's determined to be a good fraa, cleaning Adam's rundown house and tending the overgrown garden. Breaking through her new husband's icy reserve will be another matter. Belle's courage and strength are abundant, but it will take true faith to guide Adam back to the heart of his Amish community—and to the loving marriage they both deserve. "This was delightful! Beauty and the Beast is my favorite of the Disney princess stories. This Amish twist on the story was terrific." —The Neverending TBR "An interesting glance into Amish culture with a fairy tale romantic twist." —The Alley-Cat7

Myth in the Modern Novel May 26 2020 Myth in the Modern Novel: Imagining the Absolute posits a twofold thesis. First, although Modernity is regarded as an era dominated by science and rational thought, it has in fact not relinquished the hold of myth, a more "primitive" form of thought which is difficult to reconcile with modern rationality. Second, some of the most important statements as to the reconcilability of myth and Modernity are found in the work of certain prominent novelists. This book offers a close examination of the work of eleven writers from the late eighteenth century to the beginning of the twenty-first, representing German, French, American, Czech and Swedish literature. The analyses of individual novels reveal a variety of intriguing views of myth in Modernity, and offer an insight into the "modernizing" transformations myth has undergone when applied in the modern novel. The study shows the presence of the "subconscious", the mythic layer, in modern western culture and how this has been dealt with in novelistic literature.

Summarization in Any Subject Jan 14 2022 *Summarization*. Just when we thought we knew everything about it, the doors to divergent thinking open and summarization—no longer something that students must endure until you get to the "cool" stuff—takes on an exciting new role in student success! In this second edition of *Summarization in Any Subject*, Dedra Stafford joins Rick Wormeli in adding fresh depth and creative variations to the basics, including changes to all 50 techniques from the first edition and brand new summarizing techniques that can be differentiated for multiple disciplines and

levels of student readiness. Personably written, with a sense of humor and a commitment to students' substantive engagement with curriculum, this new edition provides practical, "show me what it looks like" tools and descriptions as well as QR codes and tech integrations for many of the techniques. The book provides A clear rationale for summarization in any subject along with an explanation of the cognitive science that powers its positive effects, including the influence of background knowledge and primacy-recency, plus the benefits of metaphors, chunking, timing, maintaining objectivity, and the efficacy that comes when students process content. Practical tips for teaching students note taking, paraphrasing, and text structure. Nine easy strategies that teachers can use to help students begin to understand what they need to know in order to summarize. Detailed descriptions of 60 strategies and critical thinking variations that provide students with memorable learning experiences, plus targeted support materials that assist in teaching and learning. It's time to revitalize learning and shatter the tedium associated with summarization, and this new edition of Summarization in Any Subject can help you do just that.
