Shortlisted for Lesbian Memoir/Biography Lammy Award Rendered in bronze, covered in white lacquer, two women sit together on a park bench in Greenwich Village. One of the women touches the thigh of her partner as they gaze into each other's eyes. The two women are part of George Segal's iconic sculpture "Gay Liberation," but these powerful symbols were modeled on real people: Leslie Cohen and her partner (now wife) Beth Suskin. In this evocative memoir, Cohen tells the story of a love that has lasted for over fifty years. Transporting the reader to the pivotal time when brave gay women and men carved out spaces where they could live and love freely, she recounts both her personal struggles and the accomplishments she achieved as part of New York's gay and feminist communities. Foremost among these was her 1976 cofounding of the groundbreaking women's nightclub Sahara, which played host to such luminaries as Betty Friedan, Gloria Steinem, Pat Benatar, Ntozake Shange, Rita Mae Brown, Adrienne Rich, Patti Smith, Bella Abzug, and Jane Fonda. *The Audacity of a Kiss* is a moving and inspiring tale of how love, art, and solidarity can overcome oppression. Baltimore Postal Inspector Eamon Wearie is back to solve the mysterious case of a chilling chain of letters bringing unwelcome tidings and nasty terminations to

a string of less-than-sensitive Maryland men, all by the hand of an enraged woman and her deadly notes. “If you do what is asked, you may avoid the terrifying consequences,” declares each menacing note sent to a string of men across Maryland. Plenty of junk mail tells people they have won big... but how often does the postman deliver news of one’s impending loss—of life? Somewhere out there is an enraged femme fatale, the sting of whose poison pen is second only to that of her avenging sword... or, in this case, her automatic weapon. As the “lucky” recipients of these menacing notes decide to take their chances and ignore the message, Baltimore Postal Inspector Eamon Wearie is left seeing red as he tries to plumb the mind of a woman whose hurting has driven her to killing. With his partner, Bunko Ryan, Wearie wades from the Dead Letter Depot into the thick of a lethal battle of the sexes—and in the process, becomes the next most likely male to be bagged...with a bullet.? 'Nothing gets me to a bookstore faster than Eloisa James' - Julia Quinn Miss Kate Daltry doesn't believe in fairy tales . . . or happily ever after. Forced by her stepmother to attend a ball, Kate meets a prince, and decides he's anything but charming. A clash of wits and wills ensues, but they both know their irresistible attraction will lead nowhere. For Gabriel is promised to another woman - a princess whose hand in marriage will fulfil his ruthless ambitions. Gabriel likes his fiancée, which is a welcome turn of events, but

he doesn't love her, and knows, he should be wooing his bride-to-be, not the witty, impoverished beauty who refuses to fawn over him. Godmothers and glass slippers notwithstanding, this is one fairy tale in which destiny conspires to destroy any chance that Kate and Gabriel might have a happily ever after - unless one kiss at the stroke of midnight changes everything. 'Eloisa James is extraordinary' - Lisa Kleypas 'Romance writing does not get much better than this' - People After the loss of his wife in a tragic accident, beloved artist Danny Gregory chronicled his grief in the medium he knows best—the pages of his illustrated journals. This intimate reproduction of his journal is a stirring visual memoir of Gregory's journey towards recovery. Uniquely sincere, and by turns tender, raw, and hopeful, Gregory's idiosyncratic text and illustrations capture the darkest and lightest moments of his "year of magical drawing." Gregory's process reminds us that creative expression offers its own therapy, and that living each day to its fullest may be as simple as putting pen to paper. Anyone who has experienced loss will take solace in this refreshingly candid look at grieving, while art lovers will marvel at the artist's beautiful celebration of the power of creation. After being kissed by a mystery guy when the lights go out during a football game, Macy is determined to figure out which of three possible boys is the culprit in this funny, poignant, and achingly romantic novel from the author of *Last Year's Mistake*. When the lights go out at a Georgia high school football game, senior Macy Atwood finds herself in the arms of a boy who kisses her senseless—but he's gone by the time the lights come back on. All she knows is that there was something special—and oddly familiar—about her mystery kisser. Noah Granger, Ridgedale's resident bad boy and newest transfer student, has no problem taking credit for the kiss, but Macy can't shake the feeling that he's lying. Especially since a photograph of Macy and former star football player Joel Hargrove resurfaced online moments before the blackout, a not-so-random reminder of how hard she fell for Joel last year. And how doing so ultimately sent her lifelong friendships with Meredith Kopala and Ben Collins up in literal smoke. Soon last year's wounds begin to reopen as Macy realizes the events that unfolded during junior year are somehow tied to her mystery kisser. But the closer Macy gets to figuring it all out, the more she starts to worry that the boy who kissed her in the dark and the boy who is stealing her heart might be two very different people. How did I end up in a fake relationship with the

gorgeous captain of the basketball team, Jett Bryant? Where do I start? Back in kindergarten, I used to dream about kissing that adorable brown-eyed boy. He was also the pastor's son but that didn't stop me from chasing him down, tackling him on the playground, and kissing him smack on the lips. Then in eighth grade, I was about to kiss him for real (as real as a spin the bottle kiss could get) but Jett ruined it by telling everyone about the playground kiss so I kissed some guy named James instead. Fast-forward to our senior year where Jett and I got partnered in Marriage and Relations class and were asked to research-of all things-The Chemistry of a Kiss. It had me thinking about those yummy lips of his a little, but I kept my focus strong since I was dating TJ Reynolds, one of Sweet Water's most misunderstood bad boys and lead singer of Grungetown. But somewhere along the way, TJ got jealous and kissed Jett's vicious ex-girlfriend and that's how he became my ex and that's when the whole fake relationship idea started in the first place. The trouble is, all the feelings I had for Jett over the years came pouring back as we spent time together, and our topic wasn't helping the situation one bit. Neither were the incredible kisses he gave me as we "pretended" to like each other. Things really get complicated when Jett starts cozying up to me when nobody's around to witness it. Maybe this whole fake relationship is turning into the real thing. But how can I be sure? Snubbed by her best friend, Rom
