Tom Freeman thinks his demons are behind him. After a period of alcohol and drug abuse that almost killed him, he has been sober for ten years. His career is thriving, he is happily married to Clare, and they have a baby daughter, Julia. But when she begins to speak, why does Julia insist that her name is Melanie? And that Tom and Clare are not her real parents? Haunted by the recurring nightmare of killing a young girl, Tom makes the chilling discovery that his daughter is possessed by the spirit of a girl who disappeared ten years ago - at the exact spot where Tom suffered his last alcohol and drug-

fuelled blackout. And now she wants revenge... A veteran of some of the bloodiest battles of the Civil War, Ambrose Bierce went on to become one of the darkest and most death haunted of American writers, the blackest of black humorists. This volume gathers the most celebrated and significant of Bierce's writings. In the *Midst of Life* (Tales of Soldiers and Civilians), his collection of short fiction about the Civil War, which includes the masterpieces "An Occurrence at Owl Creek Bridge" and "Chickamauga," is suffused with a fiercely ironic sense of the horror and randomness of war. *Can Such Things Be?* brings together "The Death of Halpin Frayser," "The Damned Thing," "The Moonlit Road," and other tales of terror that make Bierce the genre's most significant American practitioner between Poe and Lovecraft. *The Devil's Dictionary*, the brilliant lexicon of subversively cynical definitions on which Bierce worked for decades, displays to the full his corrosive wit. In *Bits of Autobiography*, the series of memoirs that includes the memorable "What I Saw of Shiloh," he recreates his experiences in the war and its aftermath. The volume is rounded out with a selection of his best uncollected stories. Acclaimed Bierce scholar S. T. Joshi provides detailed notes and a newly researched chronology of Bierce's life and mysterious disappearance. Excerpt from Cambridge Under Queen Anne: Illustrated by Memoir of Ambrose Bonwicke and Diaries of Francis Burman and Zacharias Conrad Von Uffenbach The book which is here given to the world, begun many years ago, but still in an unfinished state, is one for which Cambridge antiquarians have Often longed. Dr H. P. Stokes and the Rev. F. G. Walker - 40 whom the best thanks Of all of us are due - have been responsible for the arrangement by which the printed sheets have been transferred to the Cambridge Anti quarian Society; and I have gladly complied with the suggestion of Mr Bowes that I should write a short prefatory note for the volume. Vise. Diggers Luck : the autobiography of an octogenarian. Collects all the autobiographical writings of author and satirist Ambrose Bierce,

including a series of eleven essays about his experiences in the Civil War. Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. The story of the men who build the transcontinental railroad in the 1860's. The metaphor of a strange house, someone else's home, is the leitmotif winding its way through this collection of memoirs covering forty years of travel in Europe by this inconsistent and apparently directionless American. Dominic Ambrose has one goal: to understand himself and others and to enjoy that understanding to the fullest, even as the world falls apart, and the beloved Yugoslavia, which forms the narrative foundation of this book, crumbles to dust. In these stories, which move back and forth from country to country and without respect for chronological order, the author, as a young man, stands on a corner in East Berlin asking passers-by, "Where is the wall?" In later years, he visits the hillsides above Sarajevo where cemeteries and dogs all communicate the history of death and misunderstanding, and, once again young, he rides through Italy in the 1970s trying to seduce a young revolutionary. He visits a raucous gay bar in Zagreb during war, where he is stalked by a war refugee for his tee shirt?. (and indeed, a man's search for love, whether straight or gay, forms another motif in these stories.) Finally, after many years of travel, he relives the racial secrets of his childhood alone high above the rooftops of Istanbul. Everything blurs together at first, but eventually coalesces into a logical narrative. The story of other people's houses. *Memoirs of the Life of Mister Ambrose Barnes - Late Merchant and Sometime Alderman of Newcastle upon Tyne* is an unchanged, high-quality reprint of the original edition of 1867. An award-winning memoir about how one girl grew up while her father chased the American Dream across the country during the mid-twentieth century. After World War II, the United States evolved economically through an explosive

combination of opportunities, entrepreneurs, and growing industries. By 1954, families began to enjoy the new pastime of evening television and increased the demand for a new product known as frozen TV dinners. A poor father and farmer from Wendell, Idaho, had the audacity and vision to start his own trucking company to haul and deliver frozen food across the country—and subsequently built an impressive fortune that included several successful businesses. Elaine Ambrose, a bestselling author, departs from her award-winning humor to show life as this man’s daughter. She chronicles the struggles her family experienced under the strain of an absent father and describes the high tensions and familial rivalries that arose after his untimely death. Using actual courtroom transcripts, she tells of the brutal legal battle that propelled her mother into dementia. She hopes to offer hope and inspiration to others who endured a contaminated family story to prove that anyone may grow beyond painful memories and find success, happiness, and warmth for themselves. Winner of 2019 Distinguished Favorite for Memoir from the Independent Press Awards Praise for Frozen Dinners “This tell-all memoir . . . will resonate with anyone who has endured family dysfunction and will defrost the hearts of readers everywhere.” —Joely Fisher, actress, singer, and author of *Growing Up Fisher* “Clear-eyed, evenhanded, concise, and loaded with fascinating details about the struggles and joys of growing up female in the fifties and sixties.” —Booklist The popular historian shares his views of his own life and on the history of America, in a series of reflections on the Founding Fathers, Native Americans, Theodore Roosevelt, World War II, civil rights, Vietnam, and the writing of history. Ambrose Bierce didn't just write about the Civil War, he lived through it--on the battlefields and over the graves--and in doing so gave birth to a literary chronicle of men at war previously unseen in the American literary canon. The fact that some of these stories verged on the supernatural, others on factual reporting, and others on the fine line between humor and morbidity in no way detracts from

their resonance to both the history of the war between the states and the imaginative historical literature in the tradition of Washington Irving. *Shadows of Blue & Gray* collects all of Bierce's Civil War stories (twenty-seven in total) with six of his memoir pieces on his own experiences on the front lines. This collection includes such classics as "An Occurrence at Owl Creek Bridge," "A Horseman in the Sky," "Parker Addison, Philosopher", and "A Bivouac of the Dead"; as well as lesser known stories and sketches such as "The Mockingbird" and "Two Military Executions" and memoirs of his experiences at Shiloh, Chickamauga, and Franklin. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. Ambrose Gwinnett Bierce was born in Meigs County, Ohio, United States in 1842. Bierce is critically best remembered for his fiction and many other writings are also generally regarded as some of the best war writings of all time. Many of the earliest books, particularly those dating back to the 1900's and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions. Excerpt from *Memoirs of the Life of Mr. Ambrose Barnes: Late Merchant and Sometime Alderman of Newcastle Upon Tyne Containing, an Account of his Remarkable Convincement of, and Embracing the Principles of Truth, as held by the People called Quakers; And also, of his Travels and Labours in the Service of the Gospel: With many other Occurrences and Observation.* Newcastle upon Tyne: Printed by Isaac Thompson and Company, at the New Printing-

office on the Side, MDCCXLVII." The journalist, who was of Justice-Town, in Cumberland, directed his work to be published by his trustees. They printed a certain number to be disposed of at their discretion, as they were empowered. But it being apprehended that those copies would be insufficient even for the author's acquaintances and others who might be no strangers to the eminence of his character, the trustees gave leave to Thompson to print a certain number "of volumes at his own risk, of which number this volume is one." From this work I have obtained some curious illustrations for my notes and appendix. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
