Daily Mail A GIANT story of belonging and friendship from David Litchfield, author of the Waterstones Illustrated Book Prize 2016 winner The Bear and the Piano. "He has hands the size of tables," Grandad said, "legs as long as drainpipes and feet as big as rowing boats. Do you know who I mean?" "Yes," sighed Billy. "The Secret Giant. But he's not real!" Billy doesn't believe his Grandad when he tells him there's a giant living in his town, doing good deeds for everyone. He knows that a giant is too big to keep himself hidden. And why would he WANT to keep himself a secret? But as time goes on, Billy learns that some secrets

are too BIG to stay secret for long... This delightful heartfelt story of belonging and friendship teaches the importance of tolerance and acceptance to young children. Happiness. It's what we all long for, what all human beings seek in our jobs, our relationships, our activities. We try so hard to be happy, and all too often we end up empty and unsatisfied. Why? Because, says Billy Graham in this classic work, we are looking for happiness in all the wrong places. We haven't learned the secret Jesus taught in the Beatitudes - that true, lasting happiness simply isn't to be found by seeking it directly. Happiness is a by-product, a bonus that comes when we seek what is really important. And the things that will bring us the satisfaction we long for are not necessarily what the world considers meaningful. Jesus did not have to have an outward stimulus to make Him happy, Billy Graham points out. "He had learned a secret that allowed Him to live above the circumstances of life and fear of the future. He moved with calmness, certainty, and serenity through the most trying circumstances - even death! What was His secret? He gave it to us in the Beautitudes." Presented with Billy Graham's characteristic vigor and simplicity in this landmark book, it is a secret that can transform your life. There's a war on our streets that no one can avoid. A Times Literary Supplement Book of the Year, chosen by Tom Stoppard "A revelation."—Marc Weingarten, Washington Post Acclaimed film director Billy Wilder's early writings—brilliantly translated into English for the first time Before Billy Wilder became the screenwriter and director of iconic films like Sunset Boulevard and Some Like It Hot, he worked as a freelance reporter, first in Vienna and then in Weimar Berlin. Billy Wilder on Assignment brings together more than fifty articles, translated into English for the first time, that Wilder (then known as

"Billie") published in magazines and newspapers between September 1925 and November 1930. From a humorous account of Wilder's stint as a hired dancing companion in a posh Berlin hotel and his dispatches from the international film scene, to his astute profiles of writers, performers, and political figures, the collection offers fresh insights into the creative mind of one of Hollywood's most revered writer-directors. Wilder's early writings—a heady mix of cultural essays, interviews, and reviews—contain the same sparkling wit and intelligence as his later Hollywood screenplays, while also casting light into the dark corners of Vienna and Berlin between the wars. Wilder covered everything: big-city sensations, jazz performances, film and theater openings, dance, photography, and all manner of mass entertainment. And he wrote about the most colorful figures of the day, including Charlie Chaplin, Cornelius Vanderbilt, the Prince of Wales, actor Adolphe Menjou, director Erich von Stroheim, and the Tiller Girls dance troupe. Film historian Noah Isenberg's introduction and commentary place Wilder's pieces—brilliantly translated by Shelley Frisch—in historical and biographical context, and rare photos capture Wilder and his circle during these formative years. Filled with rich reportage and personal musings, Billy Wilder on Assignment showcases the burgeoning voice of a young journalist who would go on to become a great auteur. Billy's book, written with Phil Gifford, gives parents and people organising youth groups, a practical, detailed blueprint to turn around the lives of boys struggling with life. Based on lessons learned the hard way, it reveals the secrets behind one of the most remarkable success stories in New Zealand youth work, the Naenae Boxing Academy. A national boxing champion and then a globally recognised motivational speaker, winning a standing ovation from an audience of 5000 people at the Million Dollar Roundtable convention in Atlanta, Billy came home to Naenae, New Zealand, five years ago to set up the academy. Awards have flowed, local police say youth crime is down 30% and a detailed Massey University study confirmed the academy's amazing ability to help troubled boys become good young men. Minister of Youth Affairs, Paula Bennett came for a brief visit and left in tears of astonishment three hours later. Billy's book shows us, with passion and humour, how to work the same miracles in your home or community. Billy Graham won the 'Local Hero'

Eight in number, they were all written between the mid-1980s and the end of the 1990s. A few of them previously appeared in West Africa, BBC Focus on Africa magazines, Amazon Shorts and some anthologies. Most have never been published before and are making their first appearance in this collection. In his characteristic style, Mbachu employs humour to take readers through facts of life that should've otherwise made them sad. The stories represent a journey through a Nigeria seen through the eyes of the author. It presents a potpourri of characters including musicians, magicians, policemen, the naive and the cunning, all coming together in a hilarious mix in the world according to Mbachu. The stories are as cathartic as they're entertaining. When Billy J. Kramer's "Do You Want To Know A Secret?" by Lennon and McCartney topped the charts in 1963, he was the first singer in the world to have a number one hit with a Beatles song, apart from the Fab Four themselves. This propelled the teenage Kramer into the fast lane, and he followed it with another five top twenty singles in the next two years. In this autobiography, Billy J. Kramer (born William Ashton) tells his rags to riches story, from his working class childhood in Liverpool to the racy world of international pop music. Managed by Brian Epstein, produced by George Martin, and friend, confidante and colleague of the Beatles,

Kramer gives a definitive insider's account of the birth of the Liverpool sound and also the "British Invasion" of the USA. But there are dark secrets in the Kramer story. Before he reached his twenties, he was in the grip of drugs and alcohol, and there were constant tensions between him and his backing band, the Dakotas. When the screaming stopped, he reinvented himself as a cabaret performer, and some of his best records were made in the years he was out of the limelight. With a young family, drink and pills made his domestic life, and eventually his professional life, a struggle. In this no-holds-barred account, Kramer brings to life the vibrancy of the sixties. He then reveals how he exorcised his demons and forged a new career in the United States. He assembles his current band, shows a growing mastery of songwriting, and returns to national tours of Britain and the USA, keeping the flame of the Mersey sound alive. The lifetime of experience he brings to his new songs infuses every page of this enthralling read. The Bible mentions angels nearly 300 times, yet until recently many doubted their existence. A WASHINGTON POST BEST BOOK OF THE YEAR When a man discovers his father in New York has long had another, secret, family—a wife and two kids—the interlocking fates of both families lead to surprise loyalties, love triangles, and a reservoir of inner strength in this "expansive and elegantly crafted novel" (Fresh Air, NPR). "Rich with the complexities of life . . . the stories create a world made fully dimensional through changes of perspective—major characters appear and

reappear as part of one or another's experience and testimony . . . Pull any life's thread and you discover a mesh of involvement that soon takes in all the others. It is a fine thing, subtly done, and truly exhilarating." —The Wall Street Journal Ethan, a young lawyer in New York, learns that his father has long kept a second family—a Thai wife and two kids living in Queens. In the aftermath of this revelation, Ethan's mother spends a year working abroad, returning much changed, as events introduce her to the other wife. Across town, Ethan's half brothers are caught in their own complicated journeys: one brother's penchant for minor delinquency has escalated, and the other must travel to Bangkok to bail him out, while the bargains their mother has struck about love and money continue to shape their lives. As Ethan finds himself caught in a love triangle of his own, the interwoven fates of these two households elegantly unfurl to encompass a woman rallying to help an ill brother with an unreliable lover and a filmmaker with a girlhood spent in Nepal. Evoking a generous and humane spirit, and a story that ranges over three continents, *Secrets of Happiness* elucidates the ways people marshal the resources at hand to forge their own forms of joy. Billy thinks he has identified a rare frog, but meanwhile his arch-enemy is collecting frogs in the same lake, and cutting them up for science. Will Billy's secret discovery survive?
