She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true.

Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away. So Greg offered his father an invitation: Ed could write with any questions on Christianity, and his son would offer a response. Letters from a Skeptic contains this special correspondence. The letters tackle some of today's toughest challenges facing Christianity, including Do all non-Christians go to hell? How can we believe a man rose from the dead? Why is the world so full of suffering? How do we know the Bible was divinely inspired? Does God know the future? Each response offers insights into the big questions, while delivering intelligent answers that connect with both the heart and mind. Whether you're a skeptic, a believer, or just unsure, these letters can provide a practical, common-sense guide to the

Christian faith. For more than 100 years, the Apocrypha has been left out of English versions of the Bible. Concordia Publishing House is proud to announce the 2012 release of the first and only ESV edition of the Apocrypha with notes and annotations by Lutherans. This groundbreaking walk through Scripture by former physician and carpenter Dr. Matthew Sleeth makes the convincing case that trees reveal more about God and faith than you ever imagined. “Christians looking to reconnect to the natural world will relish Sleeth’s passionate call to Christian stewardship of the Earth.”—Publishers Weekly Fifteen years ago, Matthew Sleeth believed that science and logic held the answers to everything. But when tragedy struck, he opened the Bible for the first time and was surprised to find that God chose to tell the gospel story through a trail of trees. There’s a tree on the first page of Genesis, in the first psalm, on the first page of the New Testament, and on the last page of Revelation. The Bible’s wisdom is referred to as a tree of life. Every major biblical character and every major theological event has a tree marking the spot. A tree was the only thing that could kill Jesus—and the only thing Jesus ever harmed. Reforesting Faith is the rare book that builds bridges by connecting those who love the Creator with creation and those who love

creation with the Creator. Join Dr. Sleeth as he explores the wonders of life, death, and rebirth through the trail of trees in Scripture. Once you discover the hidden language of trees, your walk through the woods—and through Scripture—will never be the same. "Following Jesus is hard enough without having to navigate the rocky terrain of church culture all by yourself. The Lutheran Handbook is the indispensable companion for anyone trying to become a well-informed church-goer and have a chuckle now and then. NEW YORK TIMES BESTSELLER • Raw, intimate, and timely—a no-holds-barred celebration of our bodies that flies in the face of antiquated ideas about sex and gender. “A triumph.”—Glennon Doyle • “One of the most important, life-changing books I’ve ever

read.”—Rachel Held Evans, author of Searching for Sunday and Inspired Negative messages about sex come from all corners of society: from the church, from the media, from our own families. As a result, countless people have suffered pain, guilt, and judgment. In this instant bestseller, Nadia Bolz-Weber unleashes her critical eye and her vulnerable yet hopeful soul on the harmful conversations about sex that have fed our shame. Bolz-Weber offers no simple amendments or polite compromises. Instead, this modern-day reverend calls for an inclusivity that empowers us to be loyal to people and, perhaps most important, ourselves. “Christianity is not a program for avoiding mistakes,” she writes. “It is a faith of the guilty.” With an alternative understanding of Scripture passages that have been weaponized against Christians for decades, Bolz-Weber reminds us that sexual flourishing can and should be for all genders, all bodies, and all humans. She shares stories, poetry, and Scripture that wage war on perpetual anxiety around sex by celebrating sexuality in all its forms and recognizing it for the gift that it is. If you’ve been mistreated, confused, angered, and/or wounded by shaming sexual messages, this one is for you.
