Six years later, he's finally released with the other POWs during Operation Homecoming. Unfortunately, his memories before his capture were erased by the complimentary torture provided by the hotel's concierge. Due to prior facial injuries and the beard concealing his gauntness, he looks nothing like the boyish photo in his military file. But before he does, he can't resist going to Redemption, PA, to catch a glimpse of the woman he'd loved enough to marry.
