Texas Sep 27 2020 Spanning four and a half centuries, James A. Michener's monumental saga chronicles the epic history of Texas, from its Spanish roots in the age of the conquistadors to its current reputation as one of America's most affluent, diverse, and provocative states. Among his finely drawn cast of characters, emotional and political alliances are made and broken, as the loyalties established over the course of each turbulent age inevitably collapse under the weight of wealth and industry. With Michener as our guide, Texas is a tale of patriotism and statesmanship, growth and development, violence and betrayal—a stunning achievement by a literary master. BONUS: This

edition includes an excerpt from James A. Michener's *Hawaii*. Praise for *Texas* “Fascinating.”—*Time* “A book about oil and water, rangers and outlaws, frontier and settlement, money and power . . . [James A. Michener] manages to make history vivid.”—*The Boston Globe* “A sweeping panorama . . . [Michener] grapples earnestly with the Texas character in a way that Texas's own writers often don't.”—*The Washington Post Book World* “Vast, sprawling, and eclectic in population and geography, the state has just the sort of larger-than-life history that lends itself to Mr. Michener's taste for multigenerational epics.”—*The New York Times*

The Searchers Mar 02 2021 New York Times Bestseller Named one of the best books of the year by: Parade The Guardian Kirkus Library Journal The true story behind the classic Western *The Searchers* by Pulitzer Prize-winning writer Glenn Frankel that the New York Times calls "A vivid, revelatory account of John Ford's 1956 masterpiece." In 1836 in East Texas, nine-year-old Cynthia Ann Parker was kidnapped by Comanches. She was raised by the tribe and eventually became the wife of a warrior. Twenty-four years after her capture, she was reclaimed by the U.S. cavalry and Texas Rangers and restored to her white family, to die in misery and obscurity. Cynthia Ann's story has been told and re-told over generations to become a foundational American tale. The myth gave rise to operas and one-act plays, and in the 1950s to a novel by Alan LeMay, which would be adapted into one of Hollywood's most legendary films, *The Searchers*, "The Biggest, Roughest, Toughest... and Most Beautiful Picture Ever

Made!" directed by John Ford and starring John Wayne. Glenn Frankel, beginning in Hollywood and then returning to the origins of the story, creates a rich and nuanced anatomy of a timeless film and a quintessentially American myth. The dominant story that has emerged departs dramatically from documented history: it is of the inevitable triumph of white civilization, underpinned by anxiety about the sullyng of white women by "savages." What makes John Ford's film so powerful, and so important, Frankel argues, is that it both upholds that myth and undermines it, baring the ambiguities surrounding race, sexuality, and violence in the settling of the West and the making of America. **Follow the River** May 24 2020 NATIONAL BESTSELLER • "It takes a rare individual not only to see that history can live, but also to make it live for others. James Thom has that gift."—The Indianapolis News Mary Ingles was twenty-three, happily married, and pregnant with her third child when Shawnee Indians

invaded her peaceful Virginia settlement in 1755 and kidnapped her, leaving behind a bloody massacre. For months they held her captive. But nothing could imprison her spirit. With the rushing Ohio River as her guide, Mary Ingles walked one thousand miles through an untamed wilderness no white woman had ever seen. Her story lives on—extraordinary testimony to the indomitable strength of one pioneer woman who risked her life to return to her own people.

The Tokaido Road Dec 23 2022 After the execution of her father, the young and beautiful Lady Asano is in grave danger from the powerful Lord Kira. In order to save herself Asano must find Oishi, the leader of the fighting men of her clan. She believes he is three hundred miles to the southwest in the imperial city of Kyoto. Disguising her loveliness in the humble garments of a traveling priest, and calling herself Cat, Lady Asano travels the fabled Tokaido Road. Her only tools are her quick wits, her samurai training, and her deadly, six foot-

long naginata. And she will need them all, for a ronin has been hired to pursue her, a mysterious man who will play a role in Cat's drama that neither could have ever imagined. . . . At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Return to Paradise Oct 29 2020 James A. Michener, the master of historical fiction, revisits the scenes of his first great work, *Tales of the South Pacific*, the Pulitzer Prize winner that brought him international acclaim. In this sequel collection, Michener once again evokes the magic of the extraordinary isles in the Pacific—from Fiji and Gaudalcanal to New Zealand and Papua New Guinea—through stories that burst with adventure, charm, and local color. For Michener's many fans around the globe, *Return to Paradise* is a precious second look at a land of enchantment by one of the most gifted storytellers of the twentieth

century. BONUS: This edition includes an excerpt from James A. Michener's Hawaii. Praise for Return to Paradise "A brilliant book and a worthy successor to Tales of the South Pacific."—The Atlanta Constitution "This is a book that should be read by everyone. . . . All who have seen the South Pacific will find on every page the odors of frangipani, copra, blood, and beer."—The New York Times "There's drama and pathos and adventure and humanity . . . and a very high degree of excellence. Michener can write."—Kirkus Reviews

Climate Change, Ethics and Human Security

Dec 11 2021 Presenting human security perspectives on climate change, this volume raises issues of equity, ethics and environmental justice, as well as our capacity to respond to what is increasingly considered to be the greatest societal challenge for humankind. Written by international experts, it argues that climate change must be viewed as an issue of human security, and not an environmental

problem that can be managed in isolation from larger questions concerning development trajectories, and ethical obligations towards the poor and to future generations. The concept of human security offers a new approach to the challenges of climate change, and the responses that could lead to a more equitable and sustainable future. Climate Change, Ethics and Human Security will be of interest to researchers, policy makers, and practitioners concerned with the human dimensions of climate change, as well as to upper-level students in the social sciences and humanities interested in climate change.

[The Cambridge Companion to Fiction in the Romantic Period](#) Feb 01 2021 While poetry has been the genre most closely associated with the Romantic period, the novel of the late eighteenth and early nineteenth centuries has attracted many more readers and students in recent years. Its canon has been widened to include less well known authors alongside Jane Austen, Walter

Scott, Maria Edgeworth and Thomas Love Peacock. Over the last generation, especially, a remarkable range of popular works from the period have been re-discovered and reread intensively. This Companion offers an overview of British fiction written between roughly the mid-1760s and the early 1830s and is an ideal guide to the major authors, historical and cultural contexts, and later critical reception. The contributors to this volume represent the most up-to-date directions in scholarship, charting the ways in which the period's social, political and intellectual redefinitions created new fictional subjects, forms and audiences. Devilish Sep 20 2022 Cliffs of the Severn was a peaceful haven. It was a perfect setting for a writer like Alice until her friend, Syl, decided to call up an incubus. To make matters worse, Syl signed a contract with the demon's boss. Homicide detective Nick Shea also considered the Cliffs a quiet neighborhood until two dead eagles and a human heart in a take-out container

were found in an unfinished septic pit.

Ride the Wind Nov 22 2022 The story of a white woman who became a Comanche captive.

The Golden Menagerie Oct 09 2021 With an artist's eye and an explorer's heart, Temple St. Clair fashions jewelry from rare colored gems with distinctive gold work to illustrate universal narratives of the earth and cosmos. In each of the one-of-a-kind pieces that comprise her Haute Couture collection, St. Clair explores our relationship to animals through a lens of whimsy and discovery and celebrates a connoisseur's level of gemstones and Florentine craftsmanship. The Golden Menagerie offers an exclusive window into the alchemic jeweler's process, illustrating the collection through St. Clair's original watercolor paintings and luminous photography of each stage of creation. From the articulated Secret Garden Serpent necklace to vibrantly jeweled Fantasy Birds earrings to a ring mounted with a falcon ready to take flight from the wearer's finger, St. Clair's

creations come to life on the page, imbued with alchemy and artistry.

Against the Day Jul 06 2021 A New York Times Notable Book of the Year, a Washington Post Best Book of the Year Spanning the era between the Chicago World's Fair of 1893 and the years just after World War I, and constantly moving between locations across the globe (and to a few places not strictly speaking on the map at all), *Against the Day* unfolds with a phantasmagoria of characters that includes anarchists, balloonists, gamblers, drug enthusiasts, mathematicians, mad scientists, shamans, spies, and hired guns. As an era of uncertainty comes crashing down around their ears and an unpredictable future commences, these folks are mostly just trying to pursue their lives. Sometimes they manage to catch up; sometimes it's their lives that pursue them.

Doc Jun 05 2021 NATIONAL BESTSELLER Born to the life of a Southern gentleman, Dr. John Henry Holliday arrives on the Texas frontier

hoping that the dry air and sunshine of the West will restore him to health. Soon, with few job prospects, Doc Holliday is gambling professionally with his partner, Mária Katarina Harony, a high-strung, classically educated Hungarian whore. In search of high-stakes poker, the couple hits the saloons of Dodge City. And that is where the unlikely friendship of Doc Holliday and a fearless lawman named Wyatt Earp begins— before the gunfight at the O.K. Corral links their names forever in American frontier mythology—when neither man wanted fame or deserved notoriety.

Ride the Wind Feb 25 2023 NATIONAL BESTSELLER • The story of Cynthia Ann Parker and the last days of the Comanche In 1836, when she was nine years old, Cynthia Ann Parker was kidnapped by Comanche Indians from her family's settlement. She grew up with them, mastered their ways, and married one of their leaders. Except for her brilliant blue eyes and golden mane, Cynthia Ann Parker was in

every way a Comanche woman. They called her Naduah—Keeps Warm With Us. She rode a horse named Wind. This is her story, the story of a proud and innocent people whose lives pulsed with the very heartbeat of the land. It is the story of a way of life that is gone forever. It will thrill you, absorb you, touch your soul, and make you cry as you celebrate the beauty and mourn the end of the great Comanche nation.

Caravans Jul 26 2020 First published in 1963, James A. Michener's gripping chronicle of the social and political landscape of Afghanistan is more relevant now than ever. Combining fact with riveting adventure and intrigue, Michener follows a military man tasked, in the years after World War II, with a dangerous assignment: finding and returning a young American woman living in Afghanistan to her distraught family after she suddenly and mysteriously disappears. A timeless tale of love and emotional drama set against the backdrop of one of the most important countries in the world today,

Caravans captures the tension of the postwar period, the sweep of Afghanistan's remarkable history, and the inescapable allure of the past. BONUS: This edition includes an excerpt from James A. Michener's Hawaii. Praise for Caravans "Brilliant . . . an extraordinary novel . . . The old nomadic trails across the mountains spring into existence."—The New York Times "Romantic and adventurous . . . [Michener] has a wonderful empathy for the wild and free and an understanding of the reasons behind the kind of cruelty that goes with it."—Newsday "Michener has done for Afghanistan what . . . his first [book] did for the South Pacific."—The New York Herald Tribune

W. Arthur Lewis and the Birth of Development Economics Nov 10 2021 W.

Arthur Lewis was one of the foremost intellectuals, economists, and political activists of the twentieth century. In this book, the first intellectual biography of Lewis, Robert Tignor traces Lewis's life from its beginnings on the

small island of St. Lucia to Lewis's arrival at Princeton University in the early 1960s. A chronicle of Lewis's unflinching efforts to promote racial justice and decolonization, it provides a history of development economics as seen through the life of one of its most important founders. If there were a record for the number of "firsts" achieved by one man during his lifetime, Lewis would be a contender. He was the first black professor in a British university and also at Princeton University and the first person of African descent to win a Nobel Prize in a field other than literature or peace. His writings, which included his book *The Theory of Economic Growth*, were among the first to describe the field of development economics. Quickly gaining the attention of the leadership of colonized territories, he helped develop blueprints for the changing relationship between the former colonies and their former rulers. He made significant contributions to Ghana's quest for economic growth and the West Indies' desire

to create a first-class institution of higher learning serving all of the Anglophone territories in the Caribbean. This book, based on Lewis's personal papers, provides a new view of this renowned economist and his impact on economic growth in the twentieth century. It will intrigue not only students of development economics but also anyone interested in colonialism and decolonization, and justice for the poor in third-world countries.

The Red Umbrella Apr 03 2021 *The Red Umbrella* is a moving tale of a 14-year-old girl's journey from Cuba to America as part of Operation Pedro Pan—an organized exodus of more than 14,000 unaccompanied children, whose parents sent them away to escape Fidel Castro's revolution. In 1961, two years after the Communist revolution, Lucía Álvarez still leads a carefree life, dreaming of parties and her first crush. But when the soldiers come to her sleepy Cuban town, everything begins to change. Freedoms are stripped away. Neighbors

disappear. And soon, Lucía's parents make the heart-wrenching decision to send her and her little brother to the United States—on their own. Suddenly plunked down in Nebraska with well-meaning strangers, Lucía struggles to adapt to a new country, a new language, a new way of life. But what of her old life? Will she ever see her home or her parents again? And if she does, will she still be the same girl? The Red Umbrella is a touching story of country, culture, family, and the true meaning of home. “Captures the fervor, uncertainty and fear of the times. . . .

Compelling.” -The Washington Post “Gonzalez deals effectively with separation, culture shock, homesickness, uncertainty and identity as she captures what is also a grand adventure.” -San Francisco Chronicle

Dance on the Wind Jan 20 2020 Sixteen-year-old Titus Bass fears one fate more than any other: never to experience the great wilderness or the wildness inside himself. So late one night he snatches a squirrel gun and a handful of biscuits, flees into the woods, and doesn't look back. From Louisville past the Chickasaw bluffs and the Natchez Trace all the way to New Orleans, he plunges into the rough-and-tumble life along the banks of the Mississippi: a volatile, violent country of boatmen and river bandits, knife fights and Indian raids, strong liquor and stronger women. Yet beyond the great river stretches the vast, unexplored expanse of the Great Plains. And it is here that young Titus will seek his future, and risk everything to seize it.

The Adventuress Jan 12 2022 Irresistibly funny and utterly addictive, this is a delicious tale of money, power, sex and having it all. No one forgets Miss Cathy Fox in a hurry. From her scorpion tattoo to her other more worldly charms she's a woman on a mission to get what

she wants. Leaving behind her humble beginnings folding knickers as a matron's assistant, Cathy embarks on a journey that will take her from a Portsmouth backstreet to the boardrooms of the global empires. With a cast of footballers, media moguls, lords and dukes, Coleridge charts the rise of a woman who will not be denied, right to the very pinnacle of society - a Royal Wedding.

Conqueror Nov 17 2019 For lovers of thrilling adventure and grand history, the bestselling co-author of the #1 New York Times bestseller *The Dangerous Book for Boys* has written a magnificent novel with a hero for the ages: the legendary, visionary conqueror Kublai Khan. A succession of ruthless men have seized power in the wake of Genghis Khan's death—all descendants of the great leader, but none with his indomitable character. One grandson, Guyuk, strains the loyalties of the tribes to the breaking point, and another, Mongke, brutally eliminates the opposition and dispatches his younger brothers Kublai and Hulegu to far-flung territories. Hulegu displays his barbarity with the savage destruction of Baghdad and his clash with the Khan's age-old enemies, the cult of assassins. But it is Kublai—refined and scholarly,

always considered too thoughtful to take power—who will devise new ways of warfare and conquest as he builds the dream city of Xanadu and pursues the ultimate prize: the ancient empire of Sung China. His gifts will serve him well when an epic civil war breaks out among brothers, the outcome of which will literally change the world. BONUS: This edition includes an excerpt from Conn Iggulden's *The Blood of Gods*. "Conqueror is as real as military fiction gets. Conn Iggulden's story of one of history's most ferocious and brilliant warriors is full of lessons for our warfighters today."—Gunnery Sergeant Jack Coughlin, USMC (ret.), New York Times bestselling author of *Shooter and Kill Zone: A Sniper Novel* "A rollicking, dangerous and often very gory gallop through the largest land empire the world has ever known."—Sunday Express (U.K.) "A thrilling journey, rippingly told . . . novelist, a gripping historical thriller and rousing love story set in seventeenth-century Manhattan It's 1663 in the tiny, hardscrabble Dutch colony of New Amsterdam, now present-day southern Manhattan. Orphan children are going missing, and among those looking into the mysterious state of affairs are a quick-witted twenty-two-year-old trader, Blandine von Couvering, herself an orphan, and a dashing British spy named Edward Drummond. Suspects abound, including the governor's wealthy nephew, a green-eyed aristocrat with decadent tastes; an Algonquin trapper who may be possessed by a demon that turns people into cannibals; and the colony's own corrupt and conflicted orphanmaster. Both the search for the killer and Edward and Blandine's newfound romance are endangered, however, when Blandine is accused of being a witch and Edward is sentenced to hang for espionage. Meanwhile, war looms as the English king plans to wrest control of the colony. Jean Zimmerman brings

New Amsterdam and its surrounding wilderness alive for modern-day readers with exacting period detail. Lively, fast paced, and full of colorful characters, *The Orphanmaster* is a dramatic page-turner that will appeal to fans of Hilary Mantel and Geraldine Brooks.
