*Alpha Boss Dec 29 2020 Samantha Davis was only looking for
a job, but she ended up finding much more. The moment she
stepped into the lobby at ASC she knew she belonged there, and
the moment Preston Jacobs stepped into her life she knew she'd
never be the same. His massive frame towers over her. His
presence is intimidating, and he is the sexiest man she's ever seen.*

He exudes power, and Samantha can't explain the raw animalistic attraction she feels. Sam is determined to push thoughts of the boss out of her mind, but the connection is too powerful. Preston Jacobs is a hard-headed wolf shifter, and as CEO of ASC and leader of his pack, he hasn't had time to worry about people's feelings. Everything changed when he met Samantha. He knew she was his mate the moment he laid eyes on her in the elevator of his building. His thoughts become consumed with taking his mate and marking her, and he's going to pull out all the stops to make her trust him and show her that she is his forever. When members of the pack become rebellious and trouble arises Preston must face a new challenge. Can he convince Samantha to accept her fate as his mate and help him lead the pack? Or will uncertain danger cause her to run away with her tail tucked between her legs?

Storm Rising Oct 27 2020 FBI Special Agent Meg Jennings and her search-and-rescue K-9 companion confront the fury of nature—and the more dangerous nature of man . . . In the wake of a devastating hurricane, Special Agent Meg Jennings and her

Labrador, Hawk—invaluable members of the FBI’s Human Scent Evidence Team—have been deployed to Virginia Beach. Amid debris and the buried cries for help, the most alarming discovery is yet to come—a teenage girl hiding in the Great Dismal Swamp. Her name is Emma—a disheveled runaway lost to the sordid underbelly of a Virginia sex-trafficking ring. Its leader has disappeared in the chaos—along with other victims. Meg joins forces with Special Agent Walter Van Cleave and uncovers a vast network of abuse rooted in some of the most influential powers in Virginia. Now as Meg’s investigation digs deeper, she’s making some very dangerous enemies. And one by one, they’re coming out of the storm to stop her. “Tense and exciting, Sara Driscoll has created a new power couple, Meg and her FBI K-9, Hawk.” —Leo J. Maloney, author of Arch Enemy “Exceptional. . . . The descriptions of the teamwork between dog and human are detailed and dramatic. . . . Readers will hope this series has a long run.” —Publishers Weekly (Starred Review)

ELECTRONIC DEVICES AND CIRCUITS Dec 21 2022

Designed specifically for undergraduate students of Electronics and Electrical Engineering and its related disciplines, this book offers an excellent coverage of all essential topics and provides a solid foundation for analysing electronic circuits. It covers the course named Electronic Devices and Circuits of various universities. The book will also be useful to diploma students, AMIE students, and those pursuing courses in B.Sc. (Electronics) and M.Sc. (Physics). The students are thoroughly introduced to the full spectrum of fundamental topics beginning with the

theory of semiconductors and p-n junction behaviour. The devices treated include diodes, transistors—BJTs, JFETs and MOSFETs—and thyristors. The circuitry covered comprises small signal (ac), power amplifiers, oscillators, and operational amplifiers including many important applications of those versatile devices. A separate chapter on IC fabrication technology is provided to give an idea of the technologies being used in this area. There are a variety of solved examples and applications for conceptual understanding. Problems at the end of each chapter are provided to test, reinforce and enhance learning.

The Pregnancy Proposition May 22 2020 Nurse Amelia Peterson's relationship with bad-tempered E.R. doctor "Mac" McDougal has always been rocky. So she's astonished when he asks her out for dinner one night...and even more surprised when she wakes up with him the next morning! The ill-matched pair are both sure it was a one-off — no matter how much they might find themselves desiring each other! But, while Mac doesn't do relationships, he has always wanted a child — and when he realizes that Amelia's pregnant, he comes up with the most unexpected proposal....

Holden's Resurrection Oct 15 2019 Former Navy SEAL Holden Stanford gave up the only woman he ever loved so she could have the family she wanted. And she'd found it—with one of his teammates. A betrayal that cut so deep that, years later, it still bled. But his sacrifice was all for naught—the one thing he never wanted for her happened—she lost her husband on the

battlefield. Now she's back. In his life, in his space, and opening old wounds. The mere sight of her destroyed him, but seeing her daughter—excruciating. The little girl was a living reminder of everything they lost. The one thing he could never get over.

Charleigh Towler understood how one decision could change the trajectory of life. One night, too much alcohol and overwhelming hurt led her to make a bad decision. One she couldn't regret because out of that she made her daughter. But it had forever altered her path. For years she'd paid for her perceived mistake until the man she'd never stopped loving was almost killed and she reevaluated her life. She was done allowing Holden Stanford to hide. Never one to dally, she packed up her life and moved to Maryland to do something she should've done years ago—fight for the man she loved. Close to getting everything they should've always had, Charleigh's life is thrown off its path again—only this time it's her daughter's life that hangs in the balance. "Riley Edwards is the queen of suspense! She knows just how to grab a reader and not let go! I recommend every single one of her books!" ~Susan Stoker, NYT Bestselling Author

King Solomon Feb 23 2023 Though the world's wisest king, Solomon's heart was led astray by temptations of wealth, sex, and power. And we face the same dangers today, though the temptations may be different in degree and detail. Author Philip Ryken writes, "In witnessing Solomon's moral triumphs and sinful failures we learn how to live more wisely. By the grace of

God, we may avoid a tragic downfall of our own and learn how to use money, sex, and power for the glory of God.” Tracing Solomon’s life from coronation to burial—and from godly devotion to self-serving excess—Ryken shows readers how to avoid similar downfalls and seek God’s glory amid earthly temptations. These thirteen chapters are pastoral, rich in application, and biblically faithful. This overview of Solomon’s life also includes a study guide, making it a great resource for both personal and group use.

Protecting His Witch Dec 17 2019 The last thing he wanted was to fall for a witch... Veterinarian Kat Ramsey hasn’t a clue that she’s a witch. Sure, she can read minds, and there’s the whole “dimension-hopping” issue that she can’t quite control, but Kat is determined to keep things normal. That is, until she accidentally hops into the Otherworld and runs into Matthew Ryan?the seriously hot one-night stand from years ago who shoved her out of his dorm. Naked. And there’s the tiny matter of the curse she gave him. May you never find satisfaction with another woman. Billionaire and former druid Matthew Ryan hasn’t forgotten the curse, or the witch who gave it to him. Kat’s unexpected return means the curse will finally be broken. Unfortunately, his libido has other ideas?like how to get her back into his bed one last time. But far more worrying is his suspicion that Kat is the seventh Pleiades witch. Because while he’s turned his back on his druidic ways, he’s still bound to protect the woman who made his life hell. Each book in the Keepers of the Veil series is

Buzzard's Bluff Apr 20 2020 JOHNSTONE COUNTRY. WILDER THAN EVER. Welcome to the Lost Coyote Saloon. Saddle up to the bar and order a whiskey. Play a few hands of poker. But don't make any trouble. The new owner is savage. Ben Savage. Once a Texas Ranger, he's always cocked and ready for some fool to come looking for payback . . . EAT, DRINK, AND BE WARY When Ben Savage receives a telegram informing him that an old friend died—and left him his saloon—he's not sure what to think. Western saloons are as wild as it gets, full of rowdy ranchers and cocky cowboys, high-stakes gamblers and low-life drifters, hard liquor and easy women. Then there's the occasional outlaw gang. But when Savage travels to Buzzard's Bluff, Texas, to check out his inheritance, he meets the saloon's lovely manager, Rachel Baskin, and has a change of heart. As an experienced lawman, he figures he can run a decent establishment. Keep things friendly, peaceful, and orderly. There's just one problem: as a longtime Pinkerton agent, Ben has made a lot of enemies. And some of them are bound to turn up in his saloon—thirsty for whiskey . . . and revenge . . . Live Free. Electromechanical Motion Devices Jun 15 2022 The updated third edition of the classic book that provides an introduction to electric machines and their emerging applications The thoroughly revised and updated third edition of Electromechanical Motion Devices contains an introduction to modern electromechanical devices and offers an understanding of the uses of electric

machines in emerging applications such as in hybrid and electric vehicles. The authors—noted experts on the topic—put the focus on modern electric drive applications. The book includes basic theory, illustrative examples, and contains helpful practice problems designed to enhance comprehension. The text offers information on Tesla's rotating magnetic field, which is the foundation of reference frame theory and explores in detail the reference frame theory. The authors also review permanent-magnet ac, synchronous, and induction machines. In each chapter, the material is arranged so that if steady-state operation is the main concern, the reference frame derivation can be de-emphasized and focus placed on the steady state equations that are similar in form for all machines. This important new edition:

- Features an expanded section on Power Electronics*
- Covers Tesla's rotating magnetic field*
- Contains information on the emerging applications of electric machines, and especially, modern electric drive applications*
- Includes online animations and a solutions manual for instructors*

Written for electrical engineering students and engineers working in the utility or automotive industry, Electromechanical Motion Devices offers an invaluable book for students and professionals interested in modern machine theory and applications.

Carly Simon's Romulus Hunt Sep 06 2021 inch....this work is likely to become a standart work very quickly and is to be recommended to all schools where recorder studies are undertaken inch. (Oliver James, Contact Magazine) A novel and comprehensive approach to transferring from the C to F

instrument. 430 music examples include folk and national songs (some in two parts), country dance tunes and excerpts from the standard treble repertoire of Bach, Barsanti, Corelli, Handel, Telemann, etc. An outstanding feature of the book has proved to be Brian Bonsor's brilliantly simple but highly effective practice circles and recognition squares designed to give, in only a few minutes, concentrated practice on the more usual leaps to and from each new note and instant recognition of random notes. Quickly emulating the outstanding success of the descant tutors, these books are very popular even with those who normally use tutors other than the Enjoy the Recorder series.

The Island House Jun 22 2020 New York Times bestselling

author Nancy Thayer evokes the shimmering seascape of Nantucket in a delightful novel that resonates with the heartache and hope of growing up, growing wise, and the bittersweet choices we must be brave enough to make. Courtney Hendricks will never forget the magical summers she spent on Nantucket with her college roommate, Robin Vickerey, and Robin's charismatic, turbulent, larger-than-life family, in their gorgeous island house. Now a college English professor in Kansas City, Courtney is determined to experience one more summer in this sun-swept paradise. Her reason for going is personal: Courtney needs to know whether Robin's brother James shares the feelings she's secretly had for him. Time with the Vickerey family always involves love and laughter, and this season is no different.

*Vivacious matriarch Susanna Vickerey is celebrating her sixtieth birthday, but beneath the merriment, trouble is brewing. The family patriarch, Dr. Alastair Vickerey, is quiet and detached, while unspoken tension looms over oldest son Henry, a respected young surgeon. Warm and witty Robin, the most grounded of the siblings, is keeping a secret from her parents. Iris, the colorful baby of the brood, remains rudderless and in need of guidance. And the sexy, stunningly handsome, untouchable James—to Courtney's dismay—may be in love with a beautiful and vibrant local artist. As the summer unfolds, a crisis escalates, surprising truths are revealed, and Courtney will at last find out where her heart and her future lie. Weaving the trials and uncertainty of real life into a tapestry of passion, hope, and courage, *The Island House* is a beautifully told story about the ties that bind*

us—and how the blessings of love and family heal us in ways we never dream possible. Praise for The Island House “Thayer’s latest should be filed under a Best Beach Reads of 2016 list. . . . The characters are complex and their struggles and concerns feel real. . . . Thayer has a really wonderful ability to showcase the meaning of family.”—RT Reviews “A perfect book to read while sticking your toes in the sand this summer!”—Bookish Devices “A touching story about friendship, family, and the uncertainty of love.”—Bustle Praise for Nancy Thayer The Guest Cottage “A sweet book with romance, laughter, and love after loss . . . Thayer knows her Nantucket history, and it shines in this book.”—RT Book Reviews “It’s a pleasant escape to a state of mind in which rebuilding a life is as simple as pitching an umbrella and spreading out a towel.”—Kirkus Reviews Nantucket Sisters “Thayer obviously knows her Nantucket, and the strong sense of place makes this the perfect escapist book for the summer, particularly for fans of Elin Hilderbrand.”—Booklist “Thayer keeps readers on the edge of their seats with her dramatic story spanning the girls’ childhood to adulthood. This wonderful beach read packs a punch.”—Library Journal Island Girls “A book to be savored and passed on to the good women in your life.”—Susan Wiggs “Full of emotion and just plain fun, this novel is delightful.”—Romance Reviews Today

New Orleans Rush Nov 15 2019 "A fun mixture of magic, sensuality, and iconic pin-up girl style. The romance in New Orleans Rush will leave you smiling and filled with optimism." - Helen Hoang, author of The Kiss Quotient Falling for your surly boss is a rotten idea. Letting him saw you in half is even worse... Beatrice Baker may be a struggling artist, but she believes all hardships have silver linings...until she follows her boyfriend to New Orleans and finds him with another woman. Instead of turning those lemons into lemonade, she drinks lemon drop martinis and keys the wrong man's car. Now she works for Huxley Marlow of the Marvelous Marlow Boys, getting shoved in boxes as an on-stage magician's assistant. A cool job for some, but Bea's been coerced into the role to cover her debt. She also maybe fantasizes about her boss's adept hands and what else they can do. She absolutely will not fall for him, or kiss him senseless. Until she does. The scarred, enigmatic Huxley has unwittingly become her muse, unlocking her artistic dry spell, but his vague nightly activities are highly suspect. The last time Beatrice trusted a man, her bank account got drained and she almost got arrested. Surely this can't end that badly...right?

everything to her, except for one thing: her future Christmas sparkles from every bough and window at the cozy Four Winds Ski Resort, where single mother Eden Kendall and her eight-year-old son are spending the holiday. A surprise marriage proposal from her boss's son wasn't on her Christmas list, but it's the perfect excuse to get away and weigh her options. She never imagined her son's ski instructor/Santa impersonator would be the gorgeous, charismatic dreamer she left behind years ago, the one who still owns a piece of her heart. Cole Hagan has never stopped loving Eden and he's spent the last eight years proving her wrong on every count about his potential. While he fights to save the resort that he helped to build by organizing a holiday concert, he decides it's about time that Eden puts aside her list-making pragmatism so that she and her skeptical son can experience the true magic of Christmas. Can a not-so-perfect angel help this unlikely pair get a second chance at happily ever after?

A SYSTEM OF CAUCASIAN YOGA Apr 13 2022 Count Walewski's famous system of yoga given to him by oral tradition in the Caucasus, the mountain range between the Black Sea and the Caspian Sea. It contains more than 150 illustrations and diagrams by the author.

Unravelling Capitalism Feb 11 2022 Karl Marx was the greatest

critic of capitalism, yet his ideas are widely dismissed or misunderstood. But understanding Marx is indispensable for anyone who wants to grasp why capitalism is a system of exploitation, instability and repeated crises. Joseph Choonara here introduces readers to some crucial Marxist approaches - as developed above all in the three volumes of Capital. He also outlines how this can be applied to capitalism as it has developed since the 19th century.

The Last Cato Nov 27 2020 A masterful blend of Christian scholarship and thrilling adventure, The Last Cato is a novel about the race to find the secret location of the Vera Cruz, the True Cross on which Christ was crucified, and the ancient brotherhood sworn to protect it. Holy relics are disappearing from sacred spots around the world—and the Vatican will do whatever it takes to stop the thieves from stealing what is left of the scattered splinters of the True Cross. Brilliant paleographer Dr. Ottavia Salina is called upon by the highest levels of the Roman Catholic Church to decipher the scars found on an Ethiopian man's corpse: seven crosses and seven Greek letters. The markings, symbolizing the Seven Deadly Sins, are part of an elaborate initiation ritual for the Staurofilakes, the clandestine brotherhood hiding the True Cross for centuries, headed by a secretive figure called Cato. With the help of a member of the Swiss Guard and a renowned archaeologist, Dr. Salina uncovers the connection between the brotherhood and Dante's Divine Comedy, and races across the globe to Christianity's ancient capitals. Together, they will face challenges that will put their

faith—and their very lives—to the ultimate test.

Plasma Dynamics May 14 2022 Plasma is the physical state in which most of the visible matter in the universe is found. The properties of plasma are so distinctive that it is often referred to as the fourth state of matter.; This book explains the fundamental concepts of plasma physics and provides an introduction to plasma particle dynamics, plasma waves, magnetohydrodynamics, plasma kinetic theory, two-fluid theory and non-linear plasma physics. Emphasis is placed on the underlying physical principles, rather than on mathematical considerations. The most advanced background knowledge required consists of Maxwell's equations and these are reviewed in the introduction.

The Millionaire and the Cowgirl Apr 01 2021 A fan-favorite by #1 New York Times bestselling author Lisa Jackson, originally published in 1996. Ten years ago, an innocent Samantha Rawlings had surrendered herself to a man whose blue-eyed

gaze promised forever. But when the summer sun faded, Kyle Fortune was gone, and Samantha was left to raise their child alone and in secret. But now, the restless millionaire has returned to Wyoming's wide-open spaces. Suddenly, he's face-to-face with the willful beauty he's never forgotten—and a blue-eyed daughter he's never known. Originally published in 1996.

Creating Continuous Flow Dec 09 2021 This workbook explains in simple, step-by-step terms how to introduce and sustain lean flows of material and information in pacemaker cells and lines, a prerequisite for achieving a lean value stream. A sight we frequently encounter when touring plants is the relocation of processing steps from departments (process villages) to product-family work cells, but too often these "cells" produce only intermittent and erratic flow. Output gyrates from hour to hour and small piles of inventory accumulate between each operation so that few of the benefits of cellularization are actually being realized; and, if the cell is located upstream from the pacemaker process, none of the benefits may ever reach the customer. This sequel to Learning to See (which focused on plant level operations) provides simple step-by-step instructions for eliminating waste and creating continuous flow at the process level. This isn't a workbook you will read once then relegate to the bookshelf. It's an action guide for managers, engineers, and production associates that you will use to improve flow each and every day. Creating Continuous Flow takes you to the next level in work cell design where you'll achieve even greater cost and lead time savings. You'll learn: where to focus your continuous flow

efforts, how to create much more efficient work cells and lines, how to operate a pacemaker process so that a lean value stream is possible, how to sustain the gains, and keep improving. Creating Continuous Flow is the next logical step after Learning to See. The value-stream mapping process defined the pacemaker process and the overall flow of products and information in the plant. The next step is to shift your focus from the plant to the process level by zeroing in on the pacemaker process, which sets the production rhythm for the plant or value stream, and apply the principles of continuous flow. Every production facility has at least one pacemaker process. The pacemaker processes is usually where products take their final form before going to external customers. It's called the pacemaker because how you operate here determines both how well you can serve the customer and what the demand pattern is like for your upstream supplying processes. How the pacemaker process operates is critically important. A steady and consistently flowing pacemaker places steady and consistent demands on the rest of the value stream. The continuous flow processing that results allows companies to create leaner value streams. [Source : 4e de couv.]

Woman Without a Past Jul 04 2021 From an Edgar and Agatha Award winner: A mystery writer must solve the puzzle of her past when she meets the South Carolina family she never knew existed. Popular mystery novelist Molly Hunt knows all about the twists and turns of fiction, but real life has thrown her for a loop. Raised by adoptive parents on Long Island, Molly has just made a stunning discovery: She's the daughter of South

Carolina blue bloods and was kidnapped as an infant from their ancestral home in Charleston. Now, she's heading south to solve the puzzle of her beginnings—totally unprepared for where it will end. At Mountfort Hall, her birth family's imposing plantation, Molly comes face to face with her past: her neglected twin sister; her reclusive and mentally imbalanced mother; a calculating cousin, now the Mountfort patriarch who has no tolerance for this lovely new intruder; and a resident psychic who sees into a deadly world all her own. It's only when Molly discovers a letter from her late father that she comes to realize how much danger she's in—and what it'll take to escape the shadows of Mountfort Hall alive. "In one of her smoothest suspense novels . . . Whitney combines a dynamic, likable heroine with eccentric characters, romantic entanglements, family ghosts and a charming setting" (Publishers Weekly). It's everything readers expect from the "Queen of American gothics" (The New York Times). This ebook features an illustrated biography of Phyllis A. Whitney including rare images from the author's estate.
